The Long and Winding Road

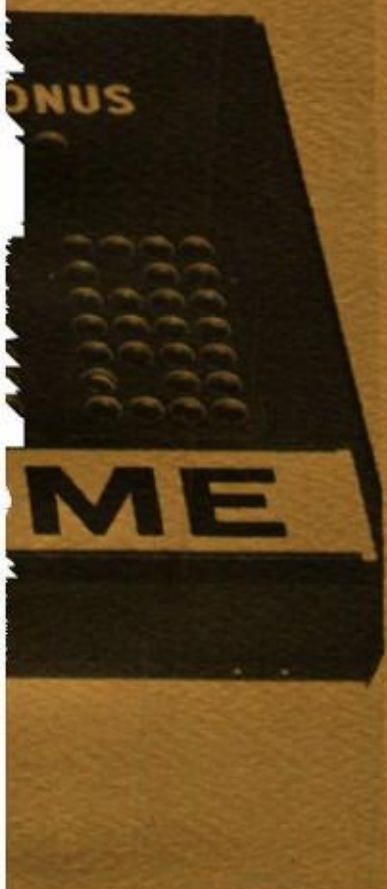

Leads Me To Your Door

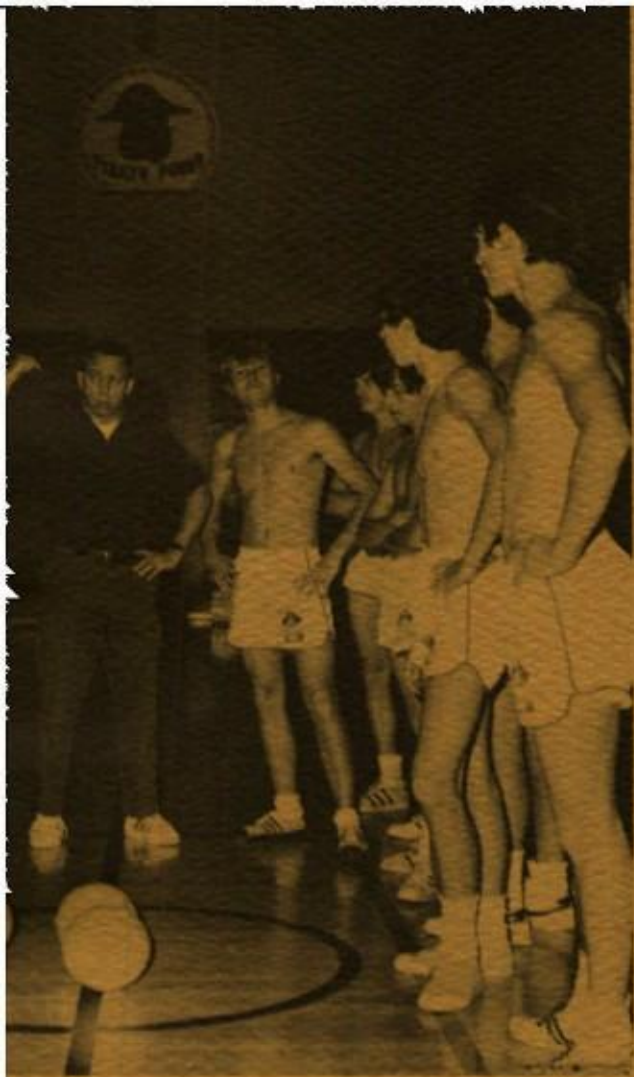

Memories Appear— Remembered Evermore

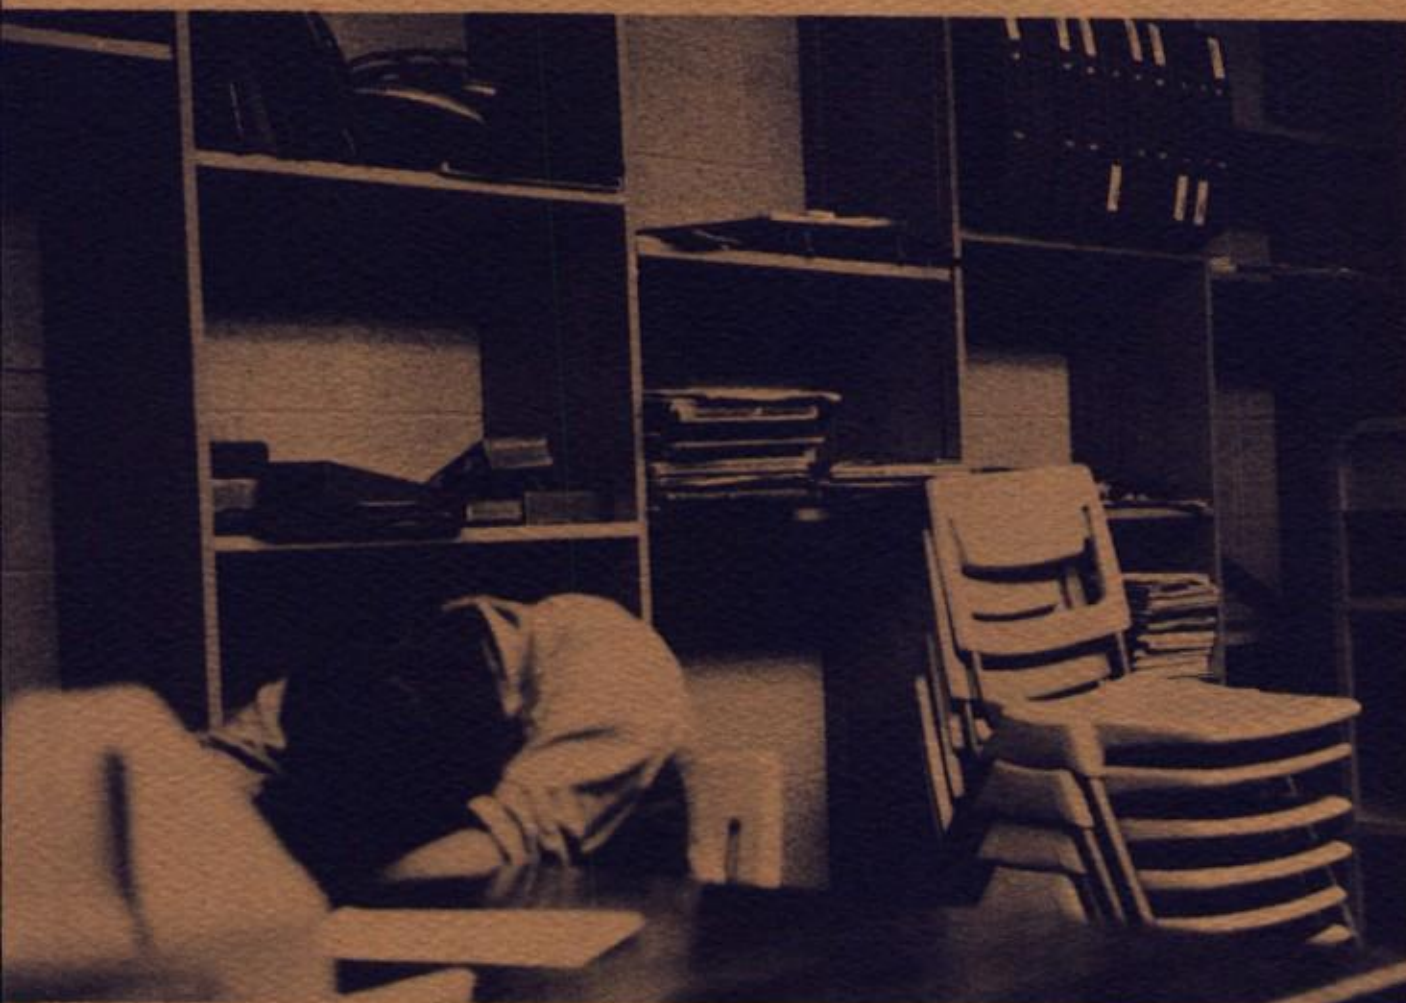

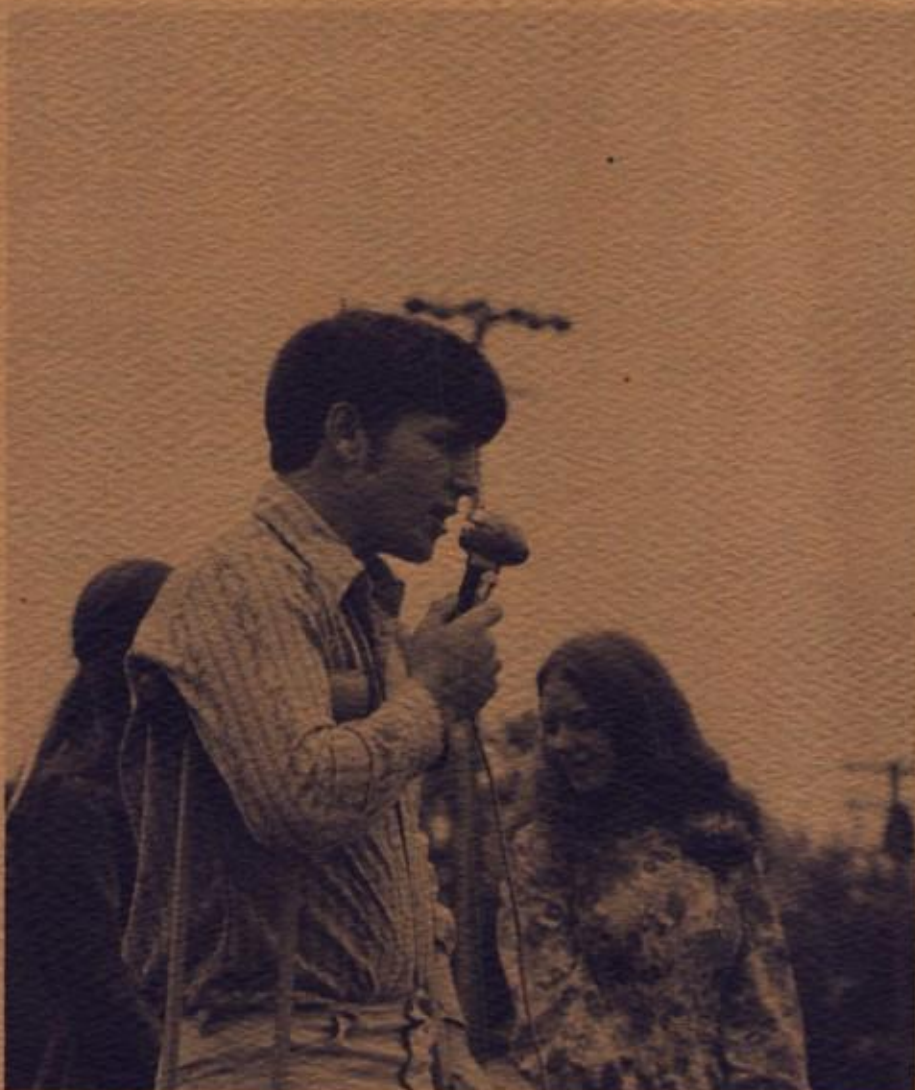

Following The Road Each Day

Trying All the Way

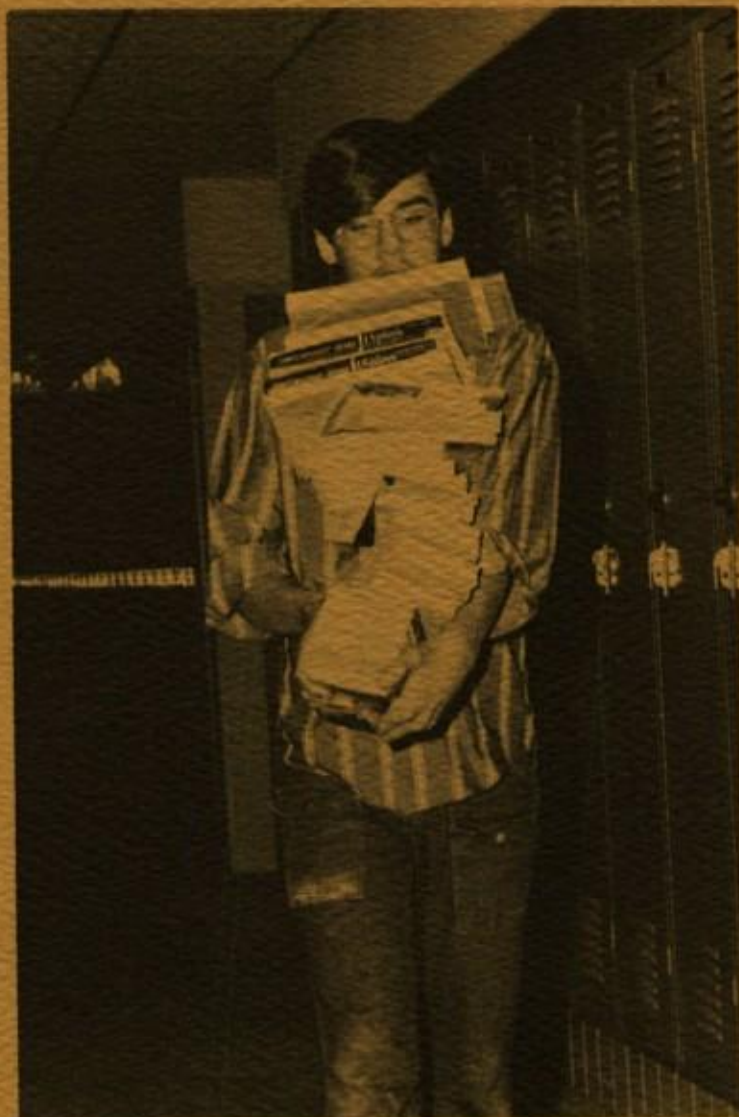

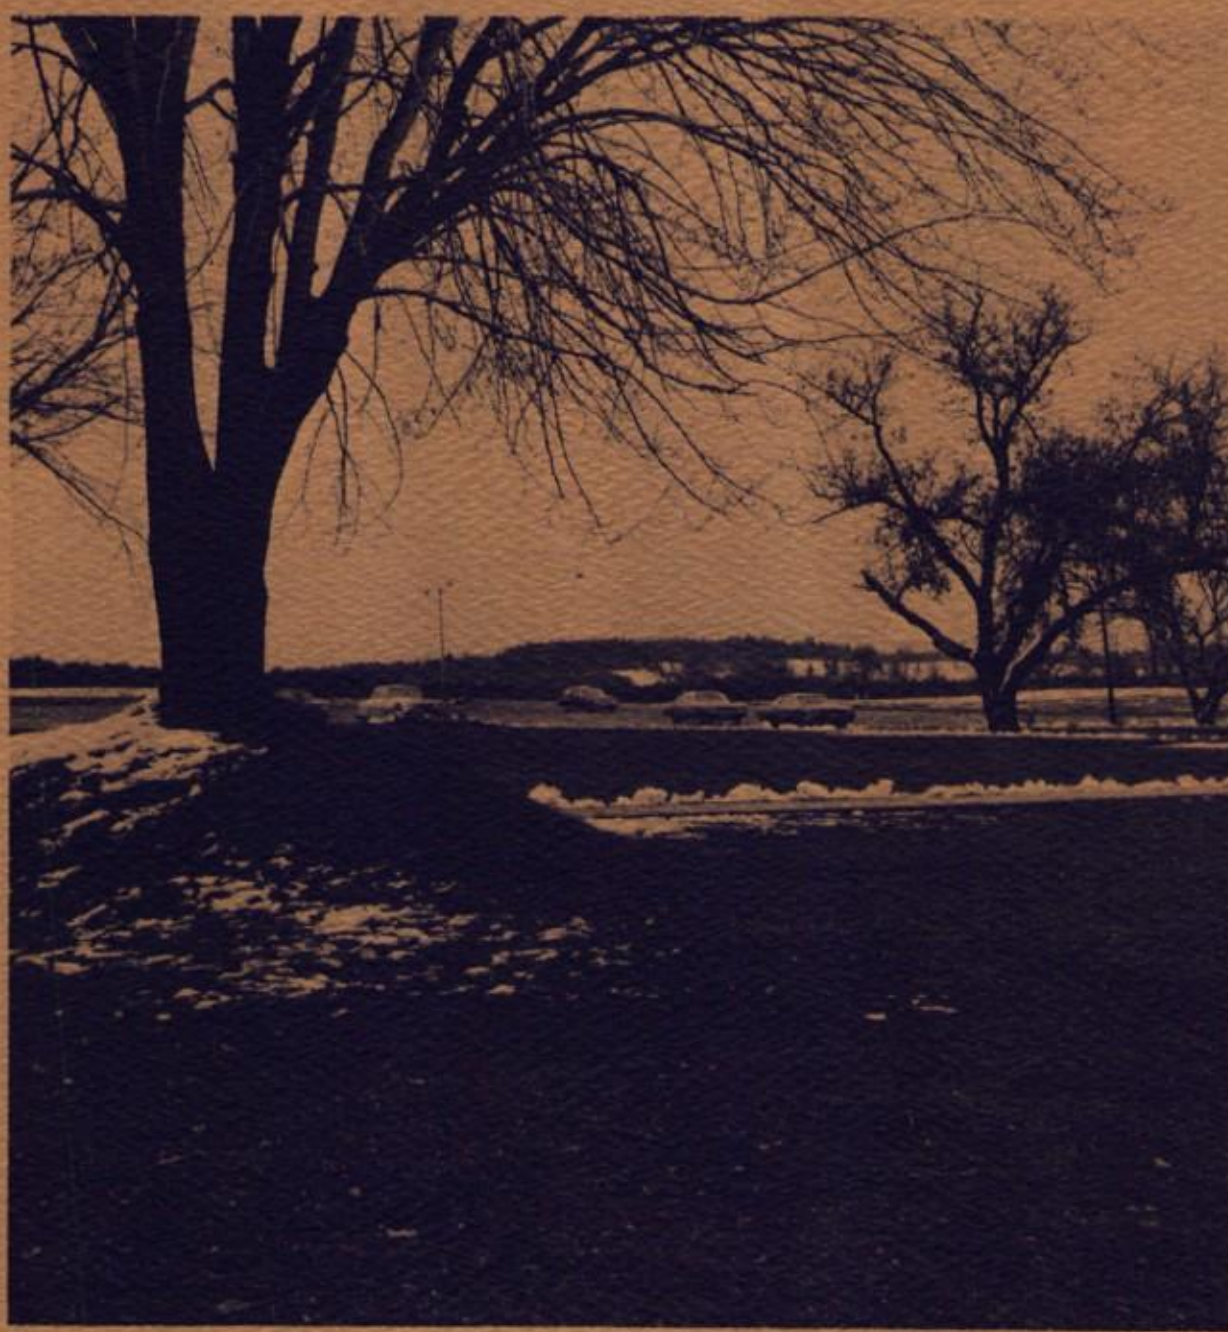

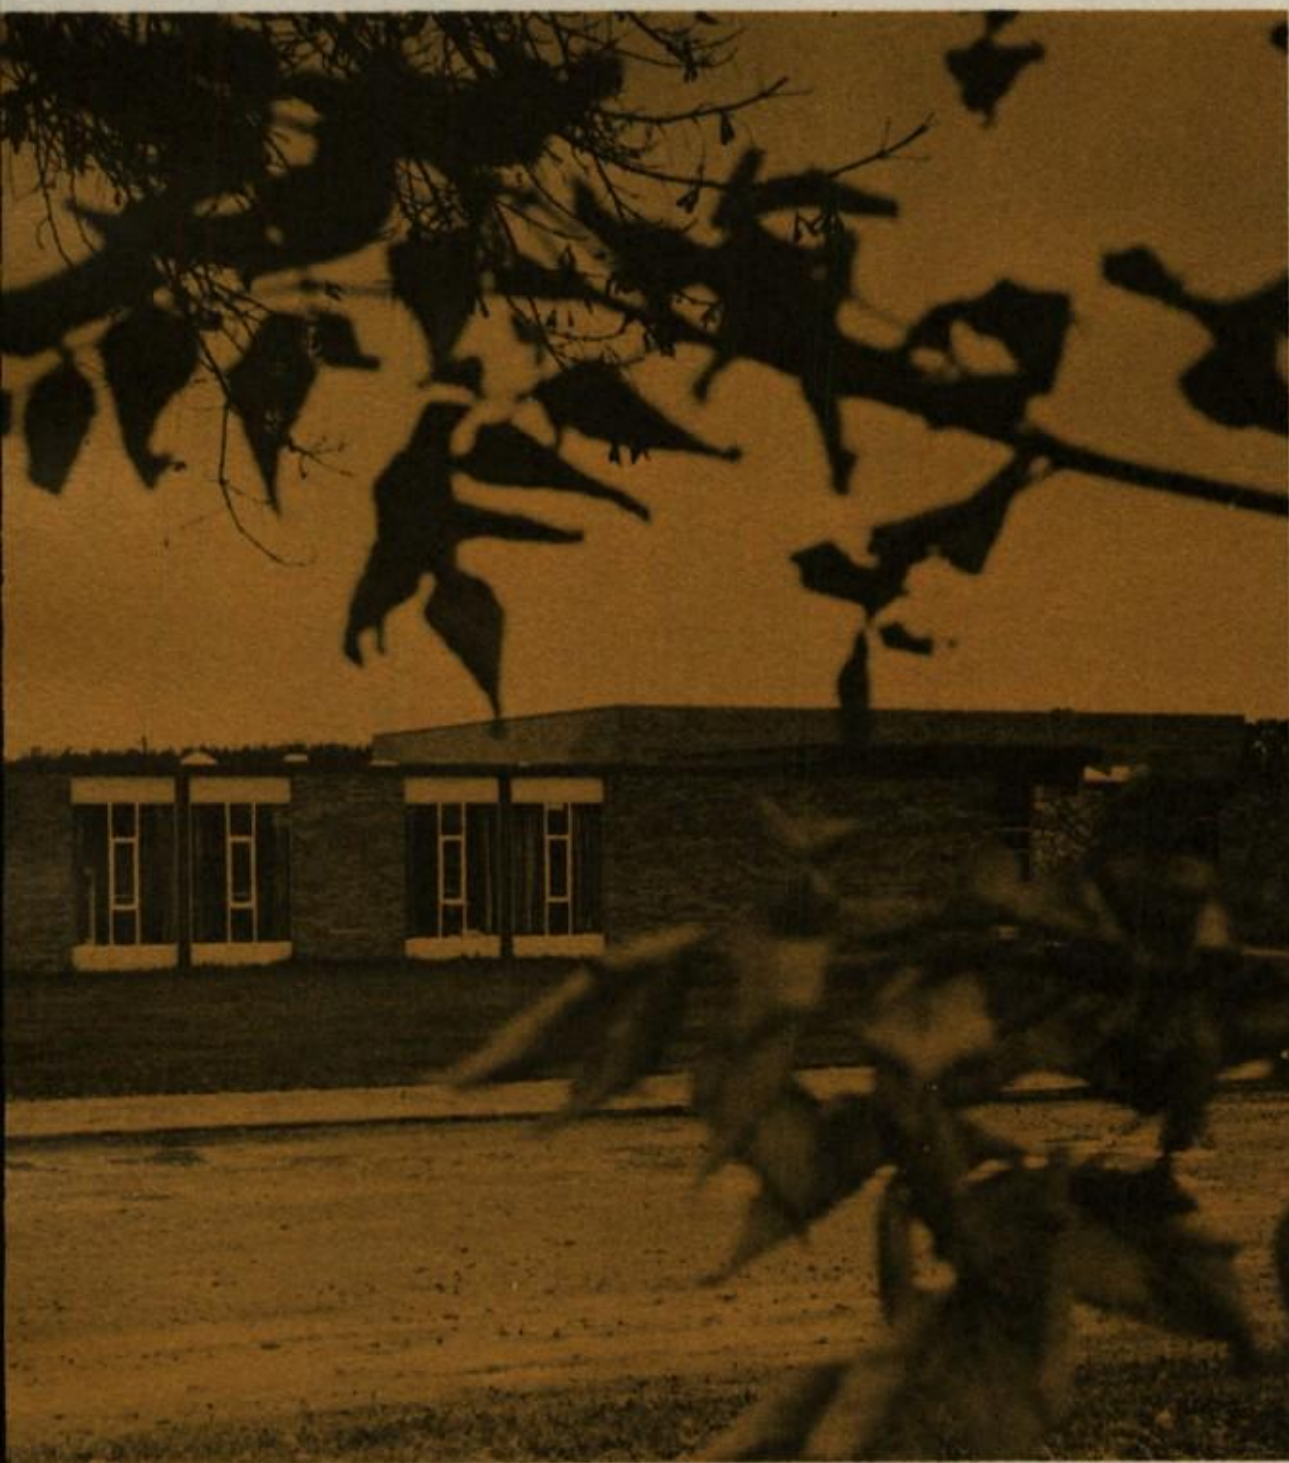

Striving to Find Our Goals

Let Us Know the Way

Activities

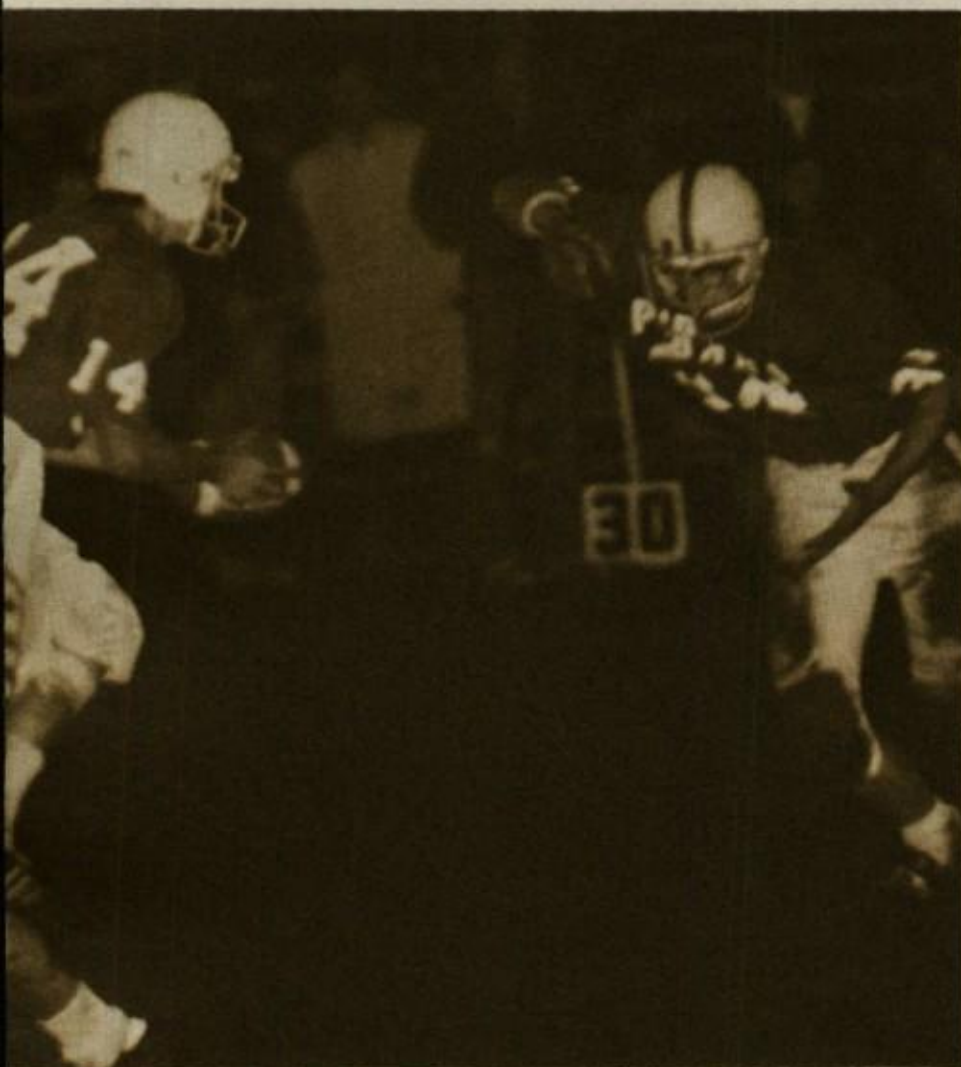

BOTTOM LEFT CENTER: Sophomore Queen Cammy Kraljevich and her court, Annette Williams and Diane McNiven. BOTTOM LEFT: Junior Queens, Cheri Walz, Jeannine Navarre, and Judy Furman anxiously await the announcement of Queen.

TOP LEFT: Senior Queens, Sherrill Vedder, Marigretchen Lewis, and Barb Read smile gaily in the parade. TOP LEFT CENTER: The Junior's winning float, "Let It Bee." TOP RIGHT: Cammy Kraljevich, 1972 Homecoming Queen. CENTER: Steve Bishop and Bob Towles work for a Pirate victory. BOTTOM RIGHT: Cheerleaders lead the afternoon pep assembly.

Homecoming— Many Happy Returns

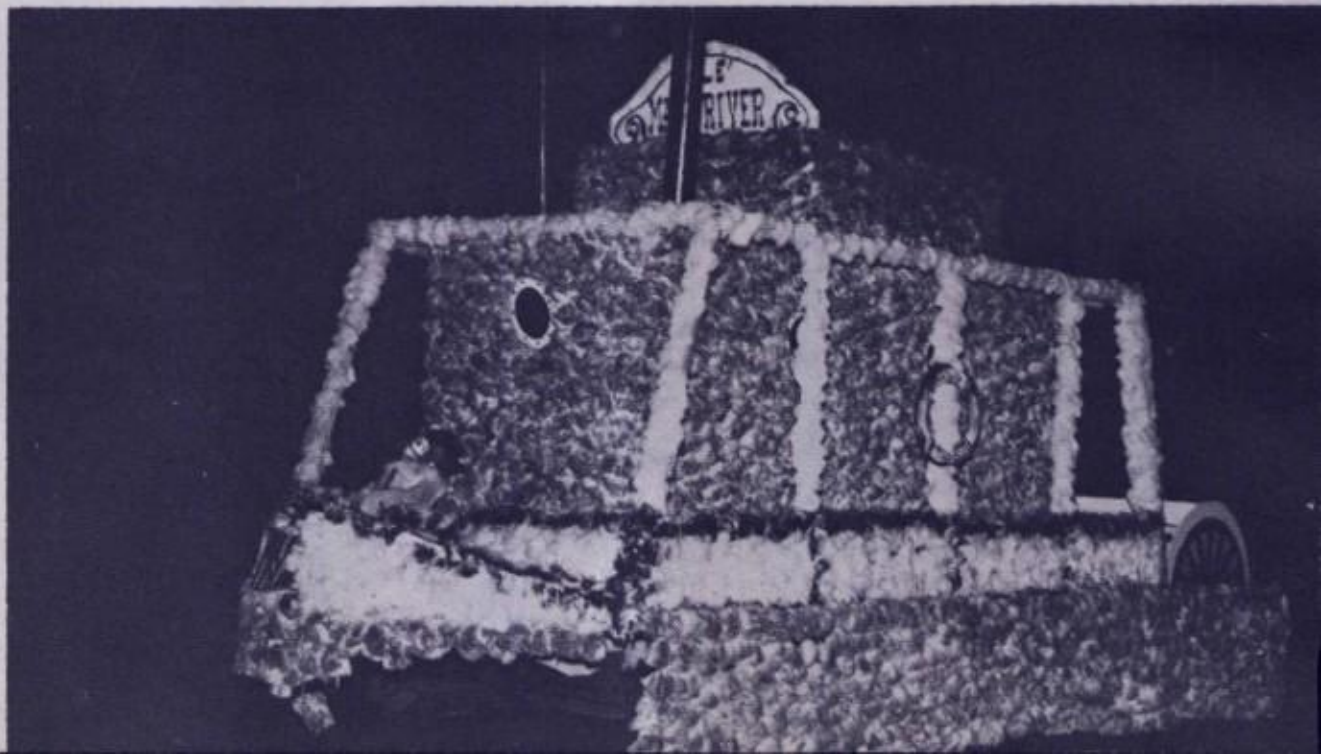

Homecoming didn't just happen on Oct. 6. It had been planned many weeks in advance by our Student Government. This year's float theme was, "Song Titles." The Junior's won with "Let it Bee!"

The player's and spectator's spirits were not dampened by the rain Homecoming night. During half time, sophomore Cammy Kraljevich was crowned Homecoming Queen by last year's Queen, Mary LaRosa. The game ended Pinckney 23, Bath 6.

The days activities were brought to a close at the dance by the Homecoming band, "1776."

TOP LEFT: The fans viewed many exciting moments. TOP RIGHT: The Marching Band plays their version of "We've Only Just Begun." FAR RIGHT: The sophomore's pride and joy. CENTER: The class queens await the big announcement. BOTTOM RIGHT: Alumni, like Rob Reynolds, were back for the fun. BOTTOM LEFT: Seniors had high hopes for 'Ole Man River.' LEFT CENTER: Ron Boprie in high gear at the dance.

Change of Pace

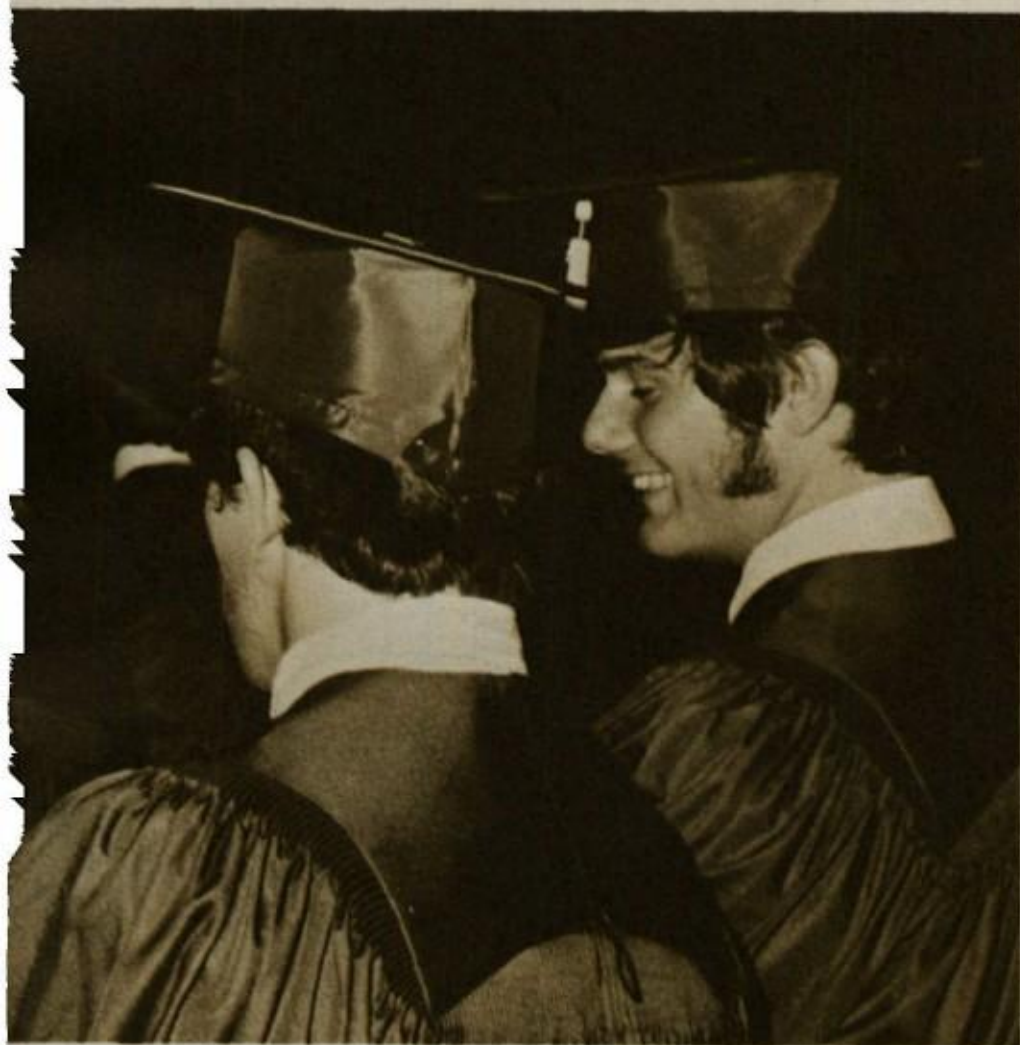

There were many activities planned to break-up the school year.

During the first part of May the Juniors put on a Junior-Senior prom with the theme titled, "Colour My World."

Throughout the year the cheerleaders provided assemblies and several groups sponsored dances after the games.

Since the lunch program was discontinued, Student Government sold potato chips and other snacks while the Varsity Club sold milk.

The year ended with the most important activity of all, Graduation.

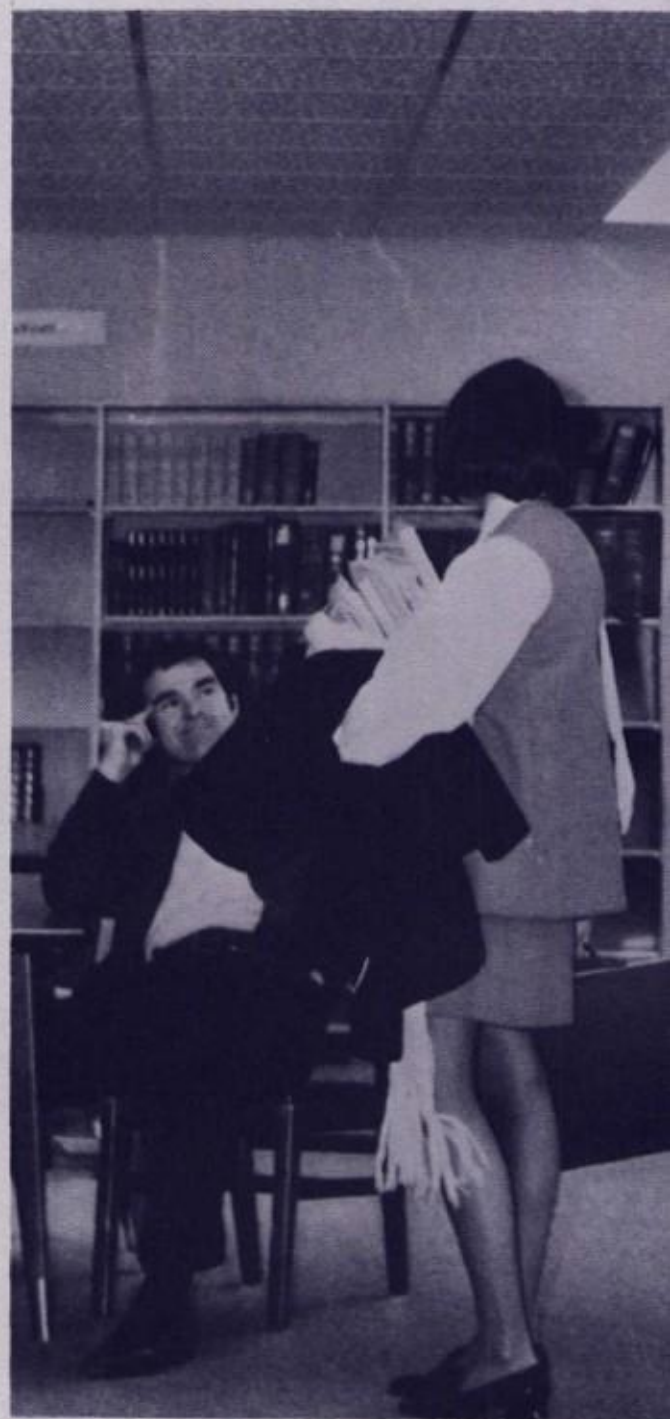

TOP LEFT: Theresa Leeman and her friends take a dance break. TOP LEFT CENTER: Linda Bennett, Dave Tepatti, Theresa Schriener, and John Gardner waded through the muddy parking lot before the prom began. TOP RIGHT: Board member, Joe Martin, congratulated a new graduate. CENTER: Seniors await the proud moment. BOTTOM RIGHT: Tension mounts as they begin the grand entrance march. BOTTOM LEFT: Ed Conklin announced the arrival of Pat Holcomb and her date, Jim Root. FAR LEFT: Couples dance to the music of the "Ron L Four."

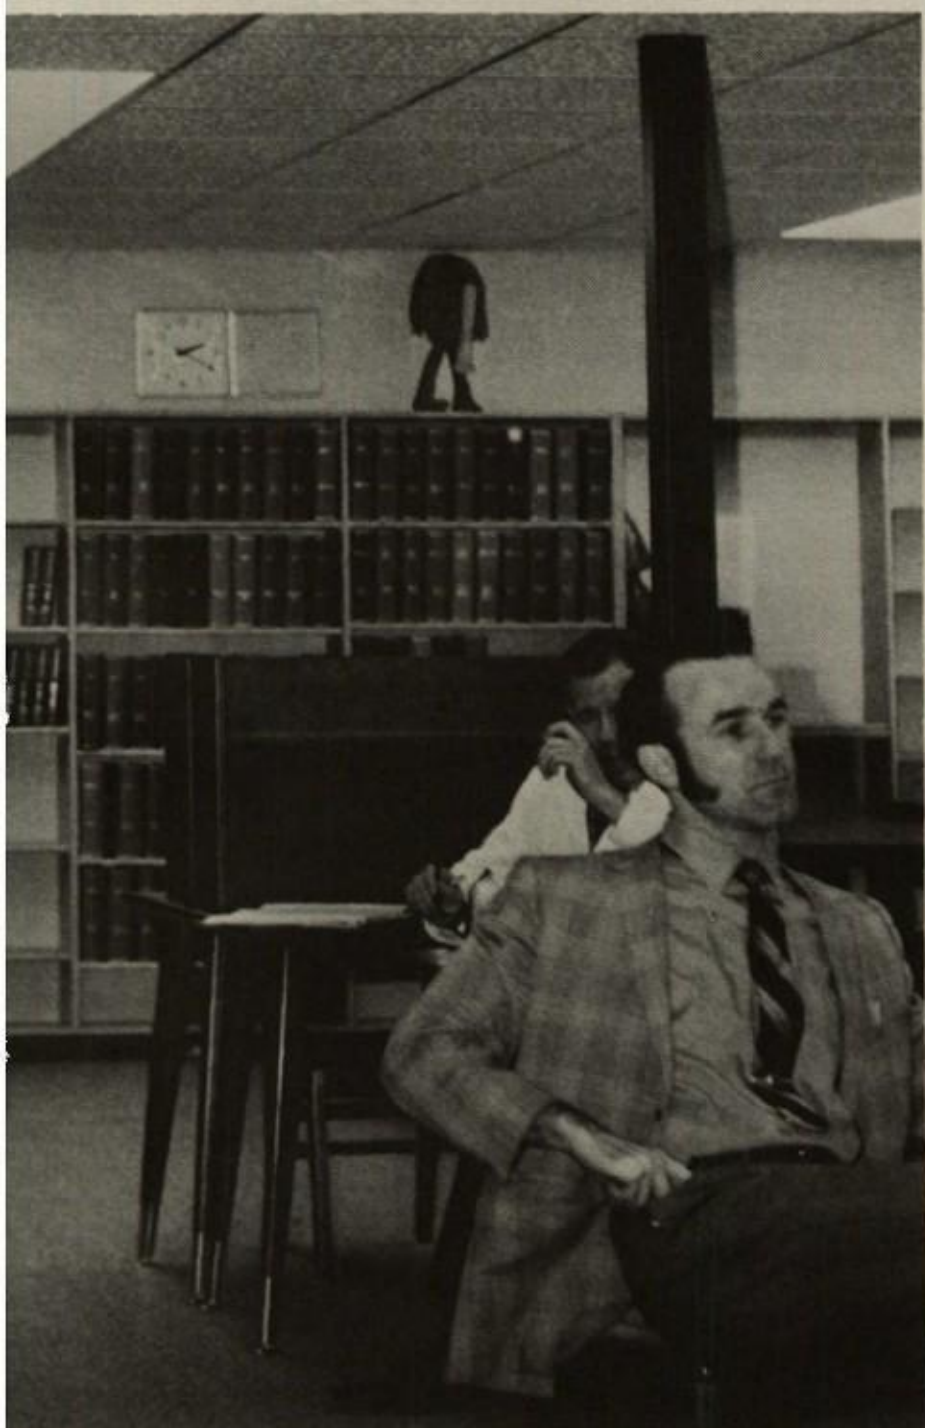

TOP RIGHT: Students leave in the middle of an exciting pep rally. FAR RIGHT: 71-72 All school play "Girl Crazy." CENTER: Trade you my Right Bower for your apple. BOTTOM LEFT: Student riot #312. BOTTOM RIGHT: Practice for the student faculty game? TOP RIGHT: Betch-a can't eat just one. FAR LEFT: One more time!

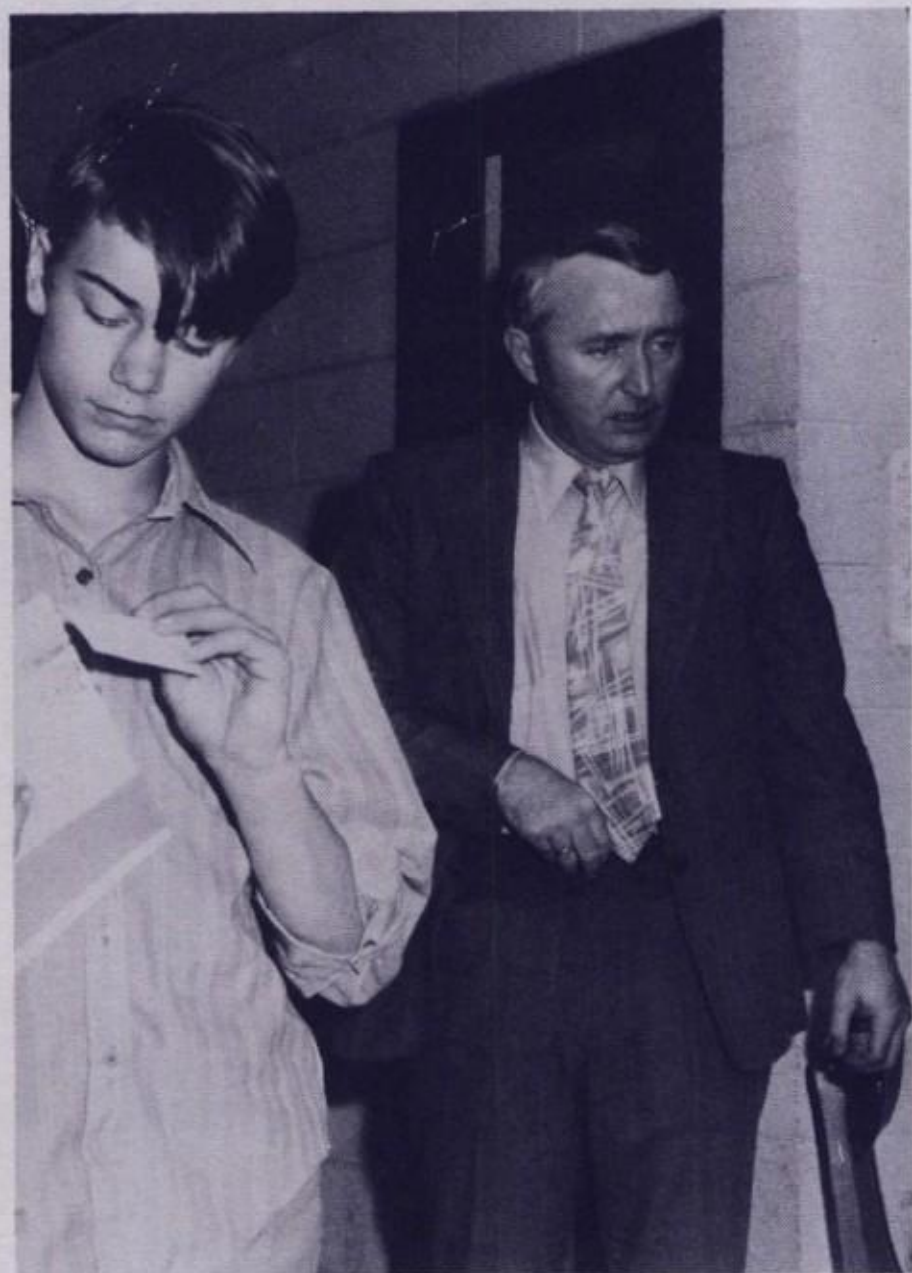

Administration, Faculty and Staff

LEFT CENTER: Hey, did he say what I thought he said? TOP CENTER: Mr. Corp, our new superintendent, took office Dec. 1, 1972. TOP RIGHT: Mr. Kennedy performing one of his many tasks as principal. RIGHT CENTER: Mr. McCloskey is found filing important data. CENTER: The three important men in our school system — Mr. McCloskey (left), Mr. Corp (center), and Mr. Kennedy (right).

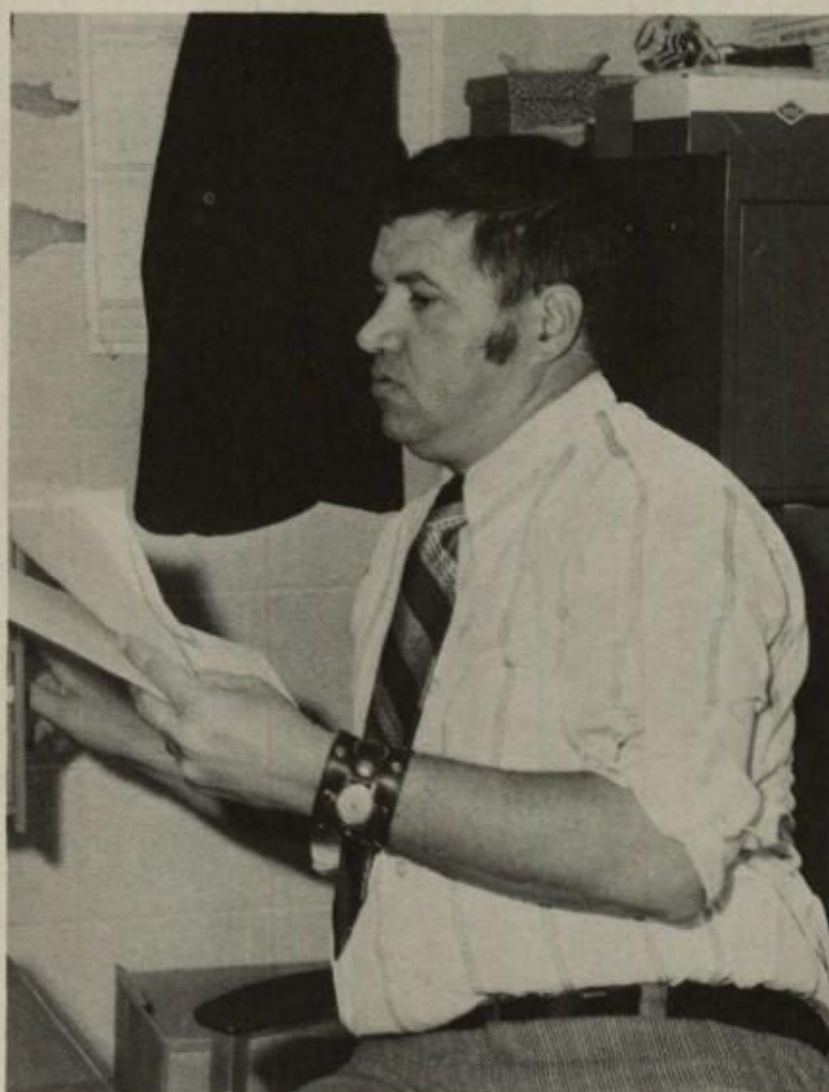

Clarity

Clarity is an important part of every school system.

Mr. Kennedy, in his third year as principal, has tried to get to know the students better.

Richard McCloskey was Acting Superintendent. Mr. Glen B. Corp became the new superintendent December 1, 1972.

Mr. Ronald Kennedy-
Principal.

Mr. Richard McClos-
key-Acting Superin-
tendent.

Mrs. Sherry Dickerson-
Clothing, Foods,
Money Managing,
Home Furnishings,
Family Living, Child
Development.

Livability

Livability and all aspects of maintaining a home are taught by Mrs. Dickerson. From cooking to furnishing, students realize what it's like to manage a home. With this training, the problems of family life can be met more successfully in the future.

TOP TO BOTTOM LEFT: Mrs. Dickerson explains fiber content and washing instructions for a sample of Margo Morton's material. TOP CENTER: Mrs. Lucas shows Ann Pine some fundamental paint strokes. FAR RIGHT: A full schedule of art students keeps Mrs. Lucas occupied with her lesson plans. BOTTOM CENTER: Mrs. Lucas gives some constructive criticism.

Creativity

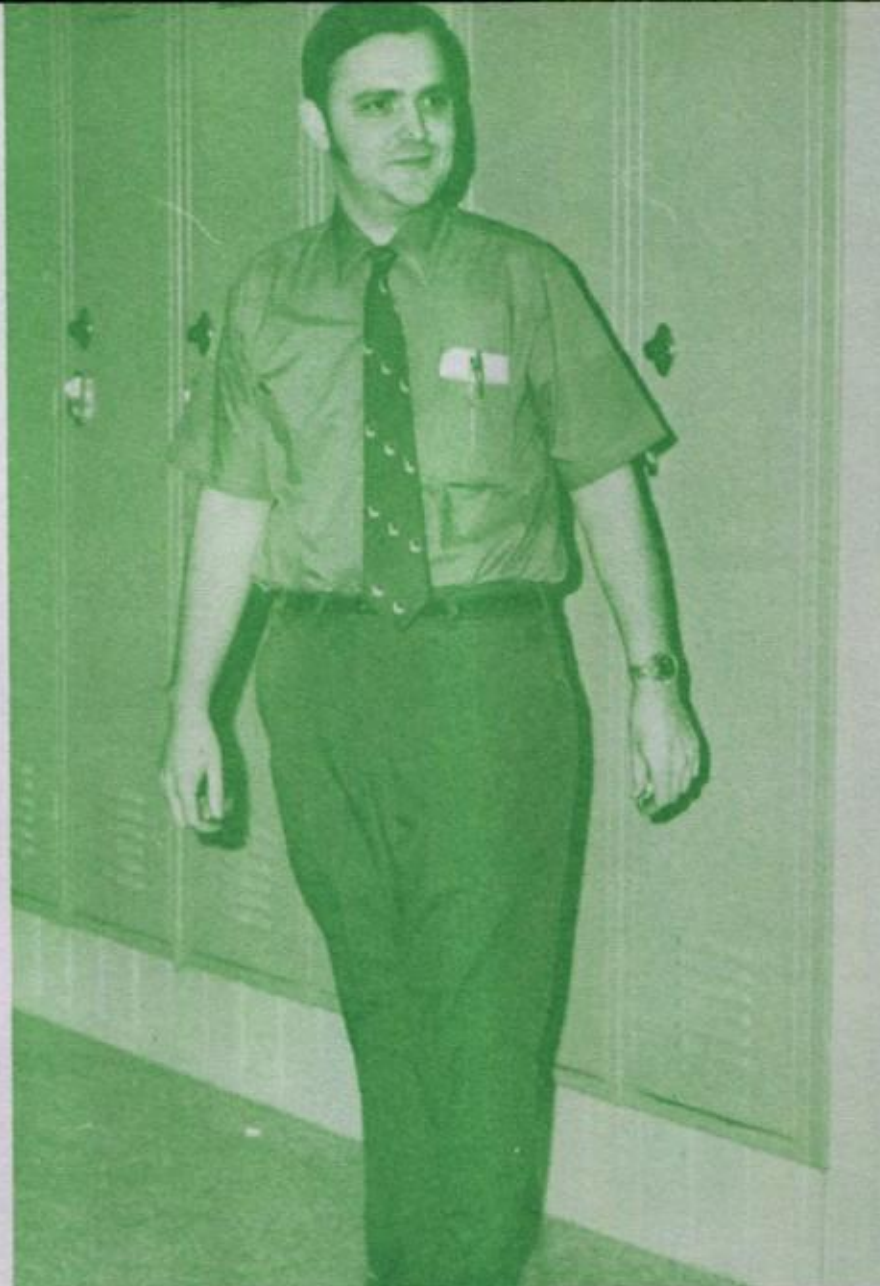

Creativity is a major element of every art project. Collages, paintings, chalk-drawings, charcoal sketches, line design, and many other forms of art all contain creative ideas. Mrs. Lucas, art instructor, attempts to utilize the creative talents the students possess.

Mrs. Maureen Lucas-
Art.

Mr. John Crumback-
Typing I, II,
Bookkeeping I,
Retail Sales.

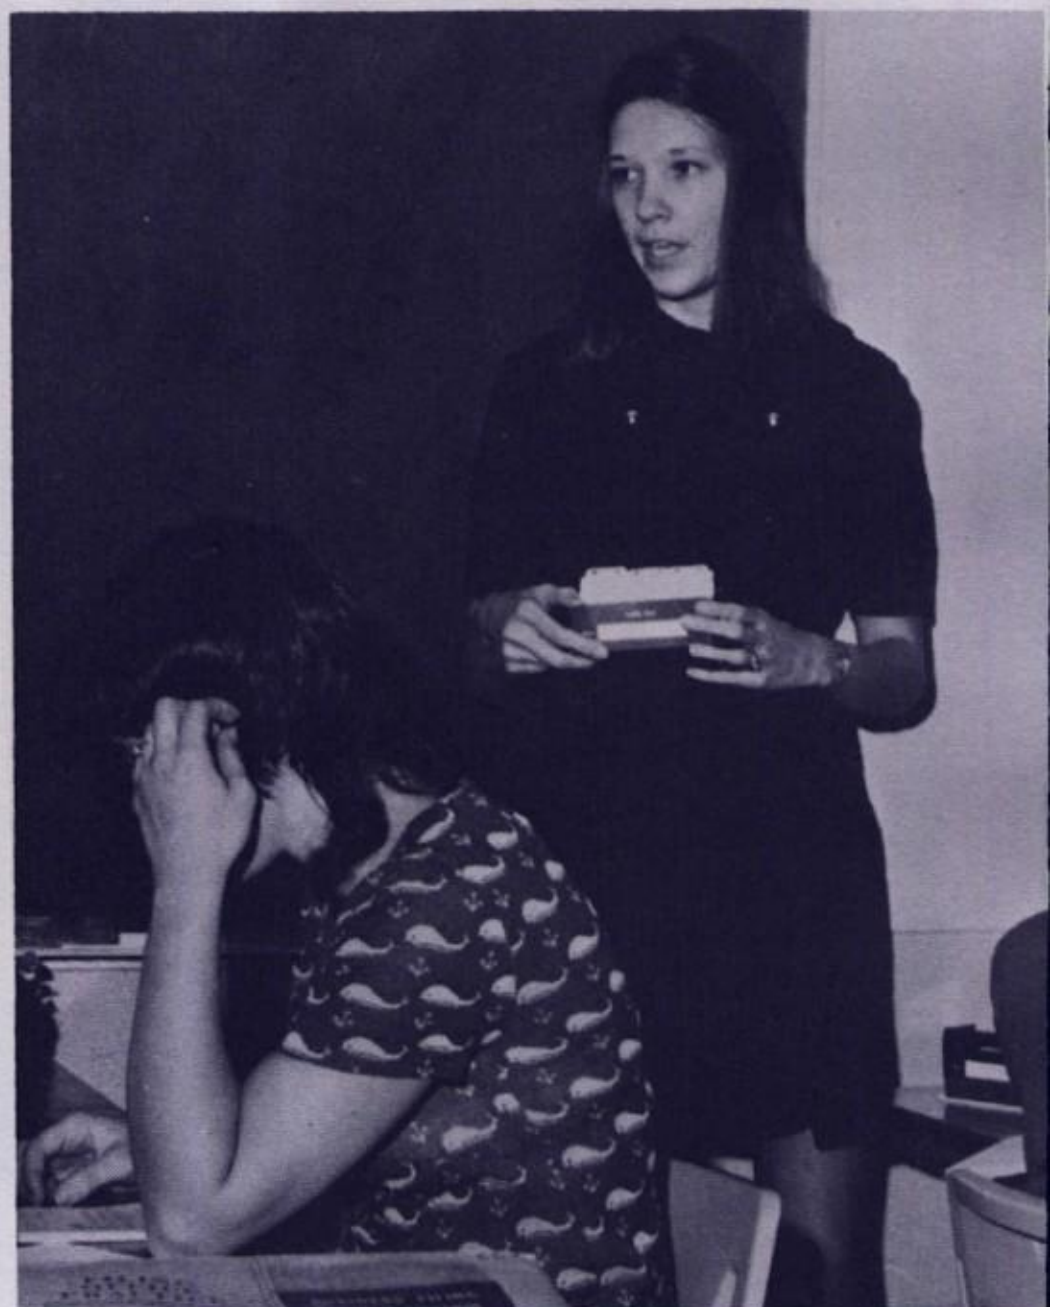

Manageability

Manageability may be achieved through any business class. The fundamentals of business management and office work are learned by many prospective businessmen and women.

Mr. Crumback heads the Business department and he never has a dull moment. Not only does he teach business but he serves as the Business Club Sponsor. Mr. Nurnberger and Miss Ford make up the other two-thirds of this department.

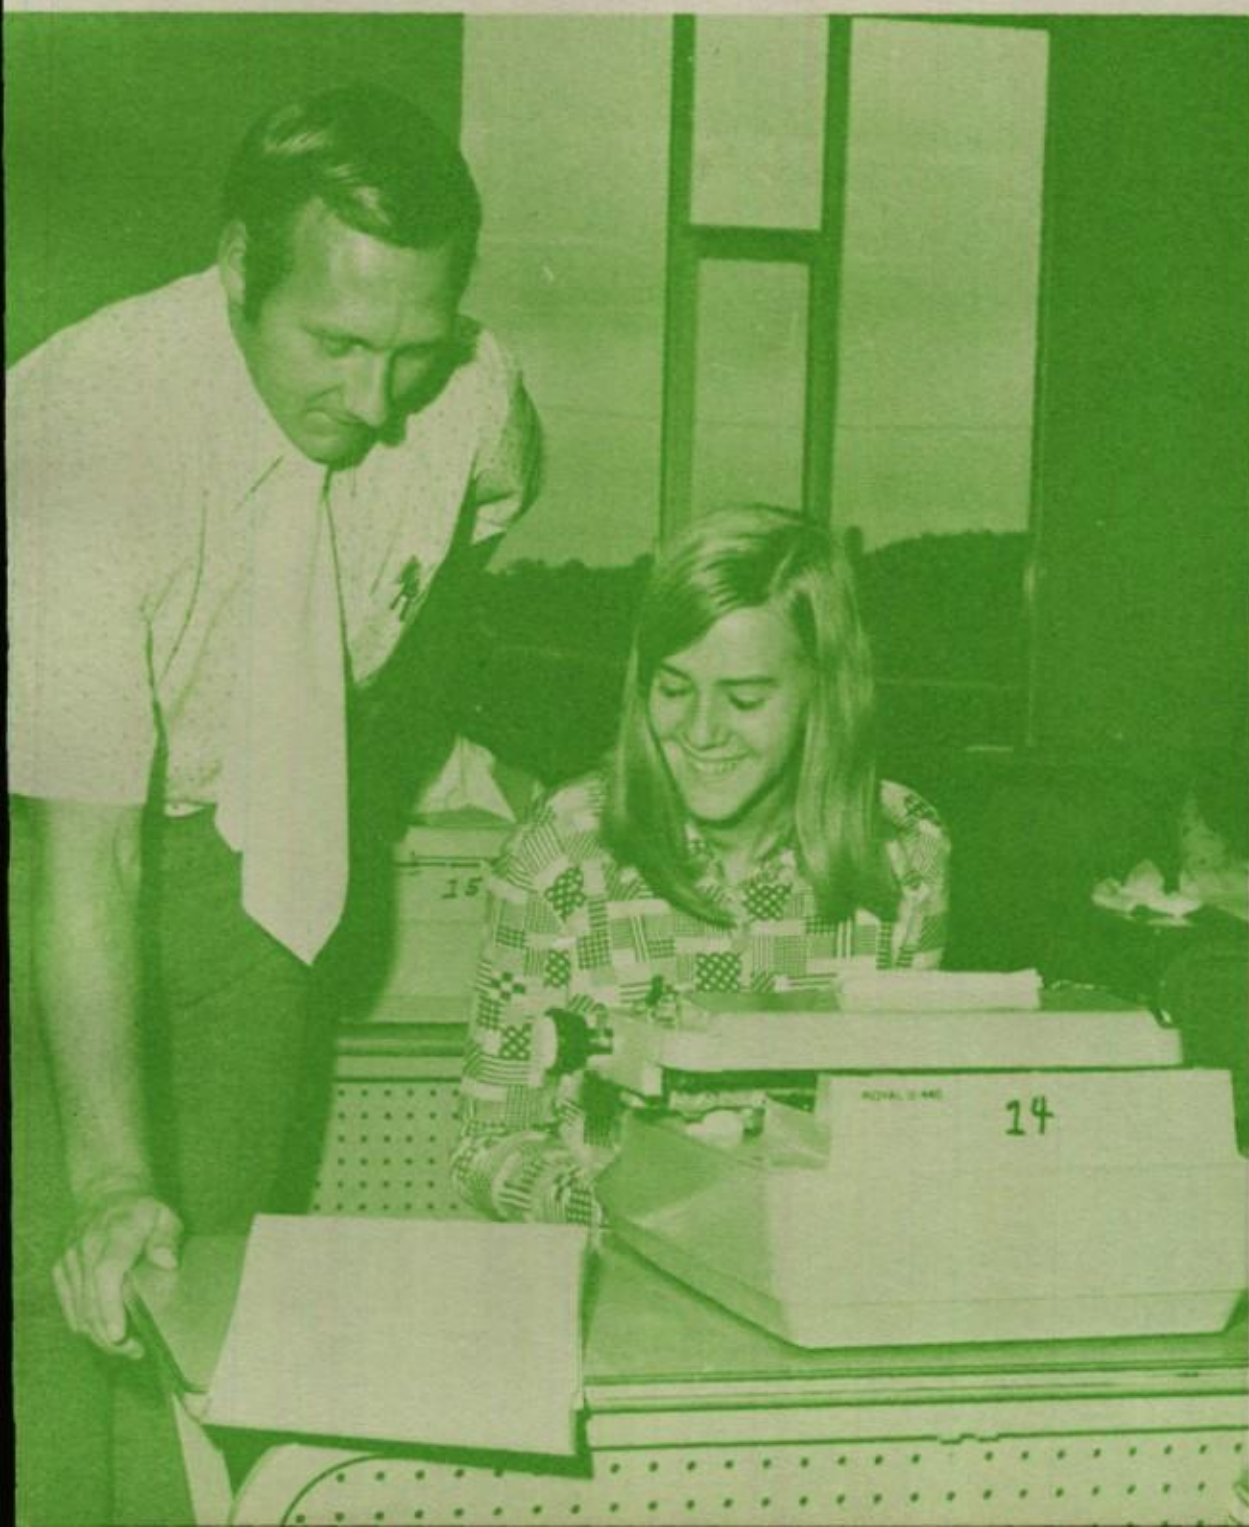

A new class was introduced to the business department this year by Miss Ford. The class is "Office Block." The students learn how to handle an office environment and prepare them to go directly into business positions. The Business Department plays an integral part in the shaping of many future office workers.

TOP LEFT: "You don't really expect ME to do that, do you?" TOP RIGHT: Elaine Jantowski gets a pass from Miss Ford to her next class. BOTTOM RIGHT: Sometimes I wish it wasn't so easy. BOTTOM LEFT: Miss Ford explains the procedure of index filing.

Miss Lynette Ford-
Office Block, Typing
I, Shorthand I.

Mr. Ron Nurn-
berger-
Business Math,
Business Law,
Typing I, Personal
Typing.

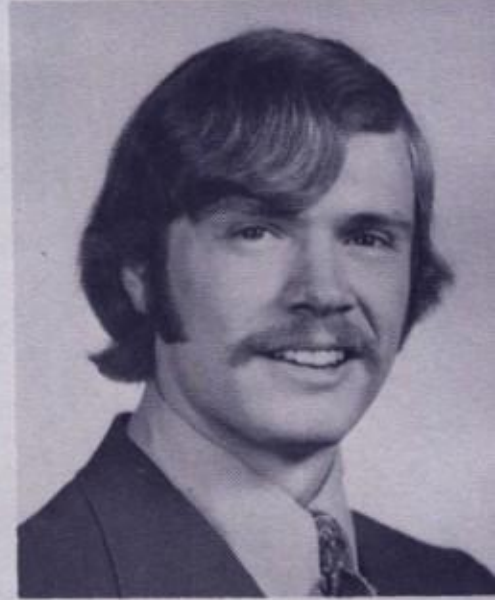

Mrs. Diane Dennis-
English III, IV,
Creative Writing,
Novels.

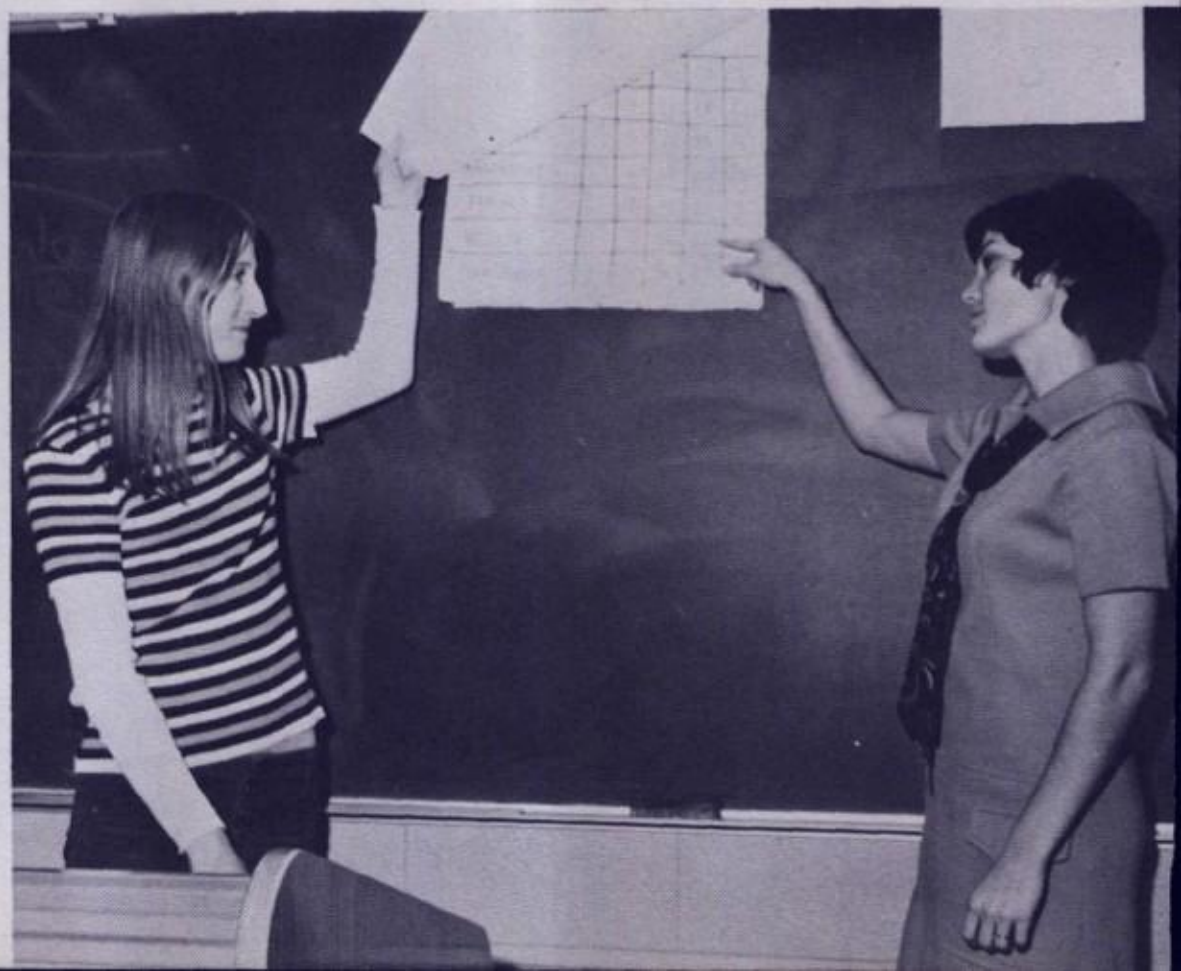

Mrs. Diane Evans-
English II, Speech,
Drama I, Yearbook I,
II.

Mr. Bill McConnell-
English II, III, Applied
English.

TOP RIGHT: Miss Wilcox and Mrs. Am-
burgey ready new books for the library.
CENTER RIGHT: Mr. Szostek prepares for
his sophomore English classes. BOTTOM
LEFT: Mrs. Osburn and Carol Campbell
count days before a deadline. FAR LEFT:
Jim Selleck discusses plans for his movie
on P.H.S. with Mr. McConnell. CENTER:
Mrs. Dennis and Mrs. Evans conspire
against the seniors and sophomores.

Ability

Ability to speak and use the English language correctly is of major importance in this world of mass communication. The English department's purpose is to teach us language and its proper use.

Three new classes were offered this year. Speech, Journalism II, and Applied English and Communications. They were welcome additions to the ever-growing English department.

Mrs. Susan Osburn-
English III, Jour-
nalism I, II, Spanish
I.

Mr. Stanley Szotek-
English II, Indepen-
dent Reading.

Miss Nancy Wilcox-
Librarian.

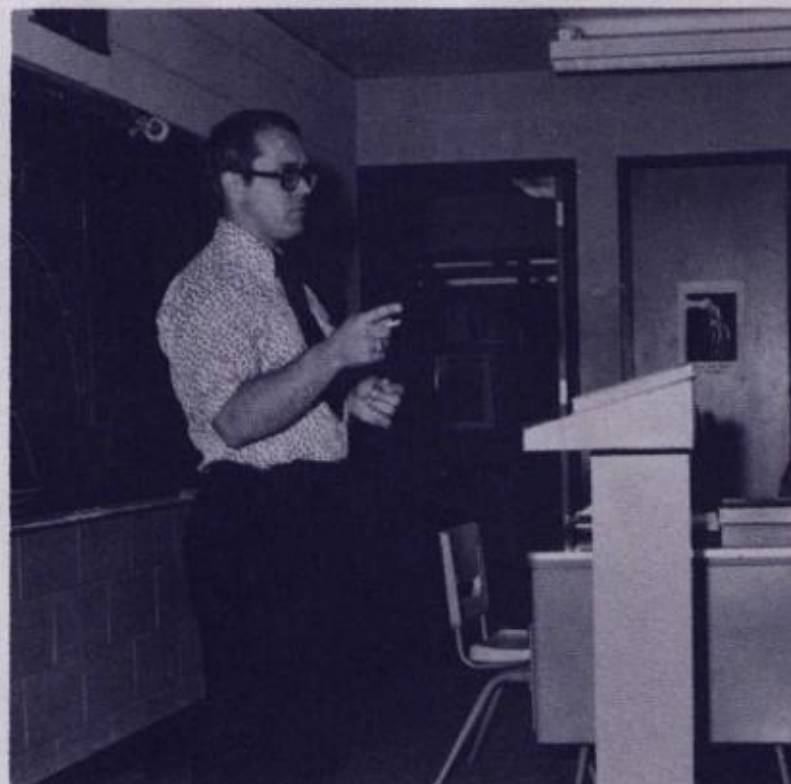

Mr. George Carpenter-
American History,
Government.

Mr. John Hand-
American History,
Government.

TOP LEFT: Mr. Wilson actively responds to a question on Negro culture. TOP CENTER: During a break in his lecture, Mr. Hand answers a question on politics. FAR RIGHT: Trying to keep Mr. Mantyck in his chair is like trying to keep a kid in class. BOTTOM CENTER: Mr. Carpenter gives an evil smirk over the question he has for government class. BOTTOM LEFT: Mr. Hand refers to his personal experiences in East Germany.

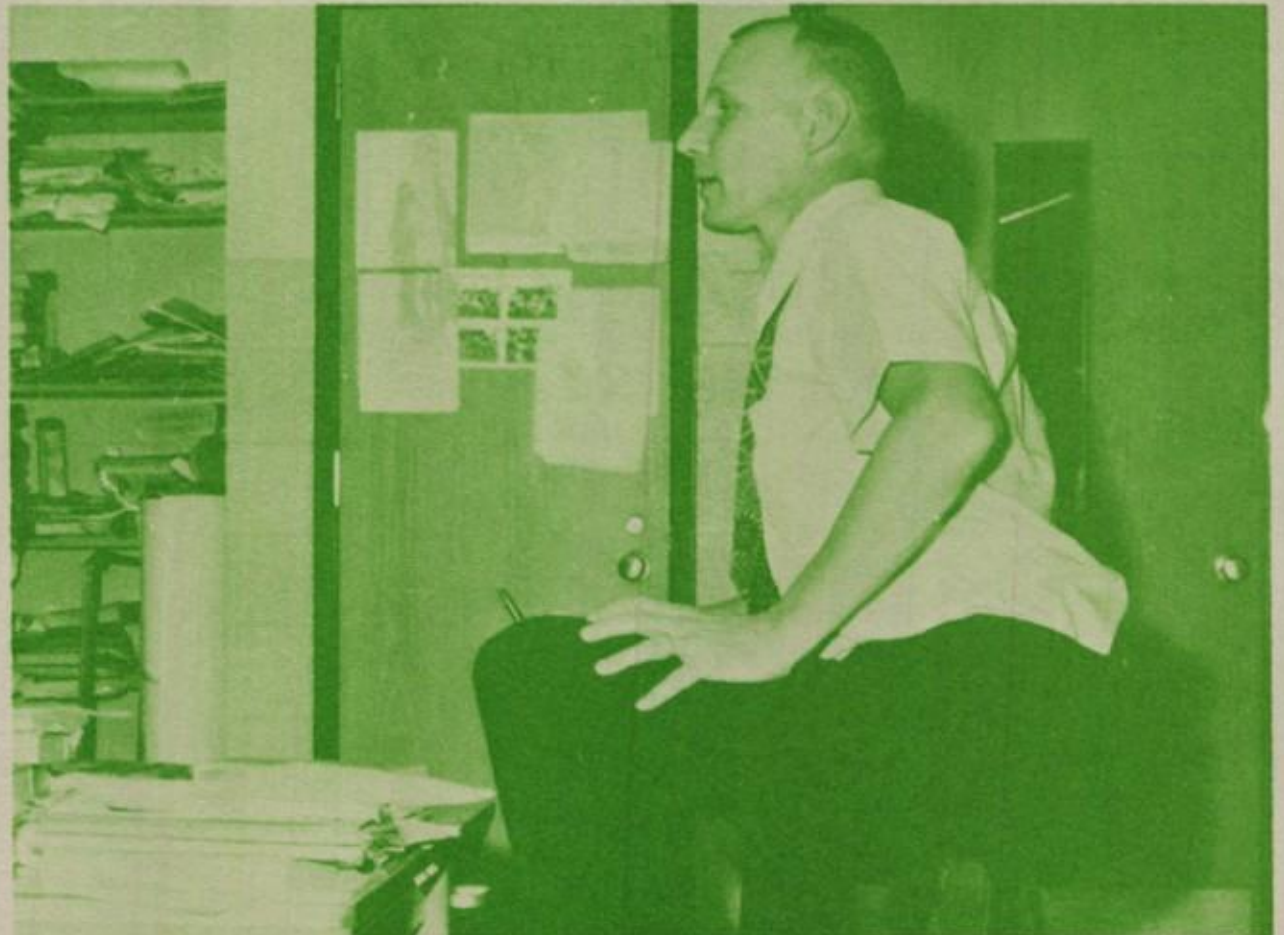

Reality

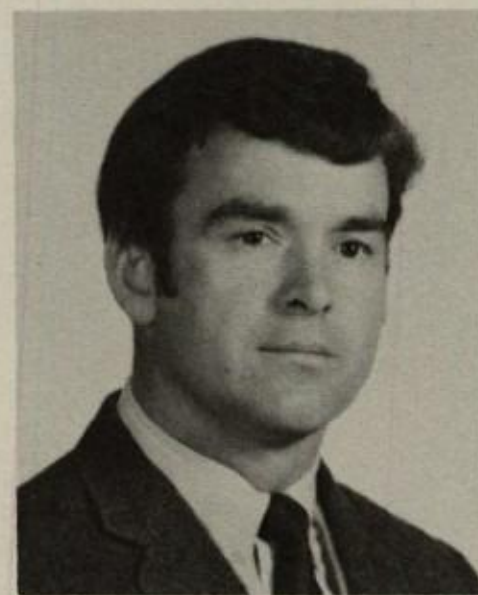

Reality as it used to be, and is now, is expressed in the Social Sciences department. Whether it be the Declaration of Independence or the plight of the ghetto, reality is confronted.

Mr. Carpenter, Mr. Hand, Mr.

Mantyck, and Mr. Wilson are the people responsible for our excellent Social Sciences department. This is one of the most important sections of our education because a knowledge of the past is needed to help us in the future.

Mr. John Mantyck-
World History, U.S.
History, Michigan
History, Inquiries in
Sociology.

Mr. Tom Wilson-
American History,
World Geography.

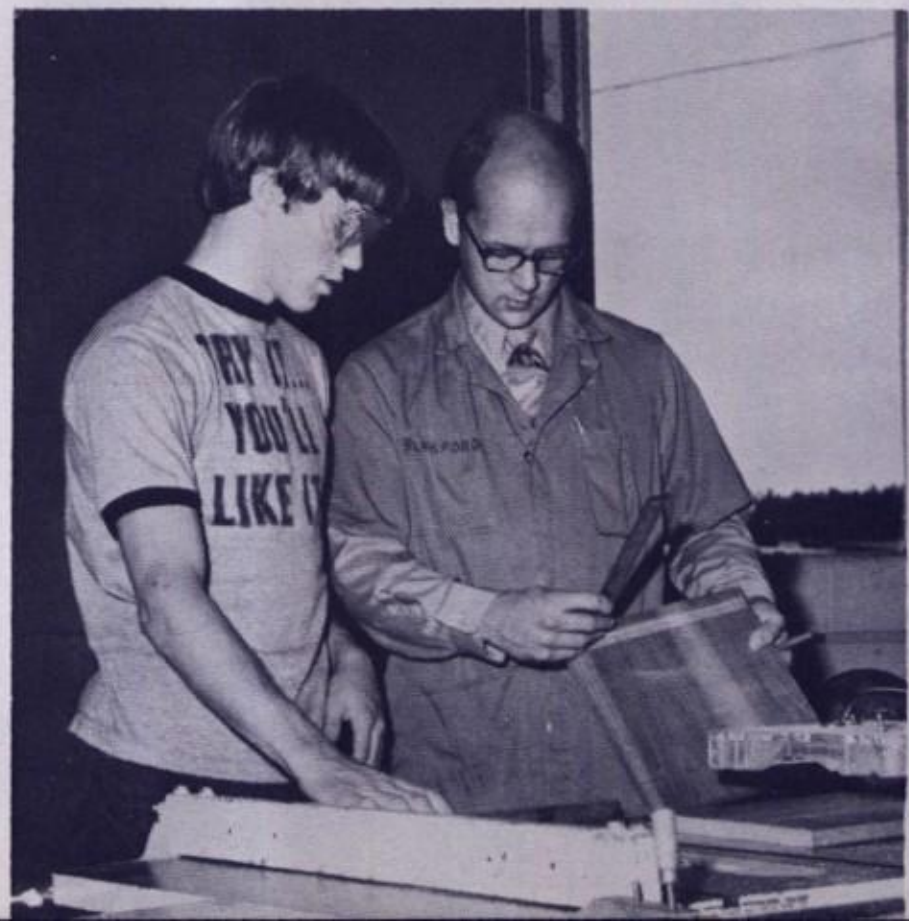

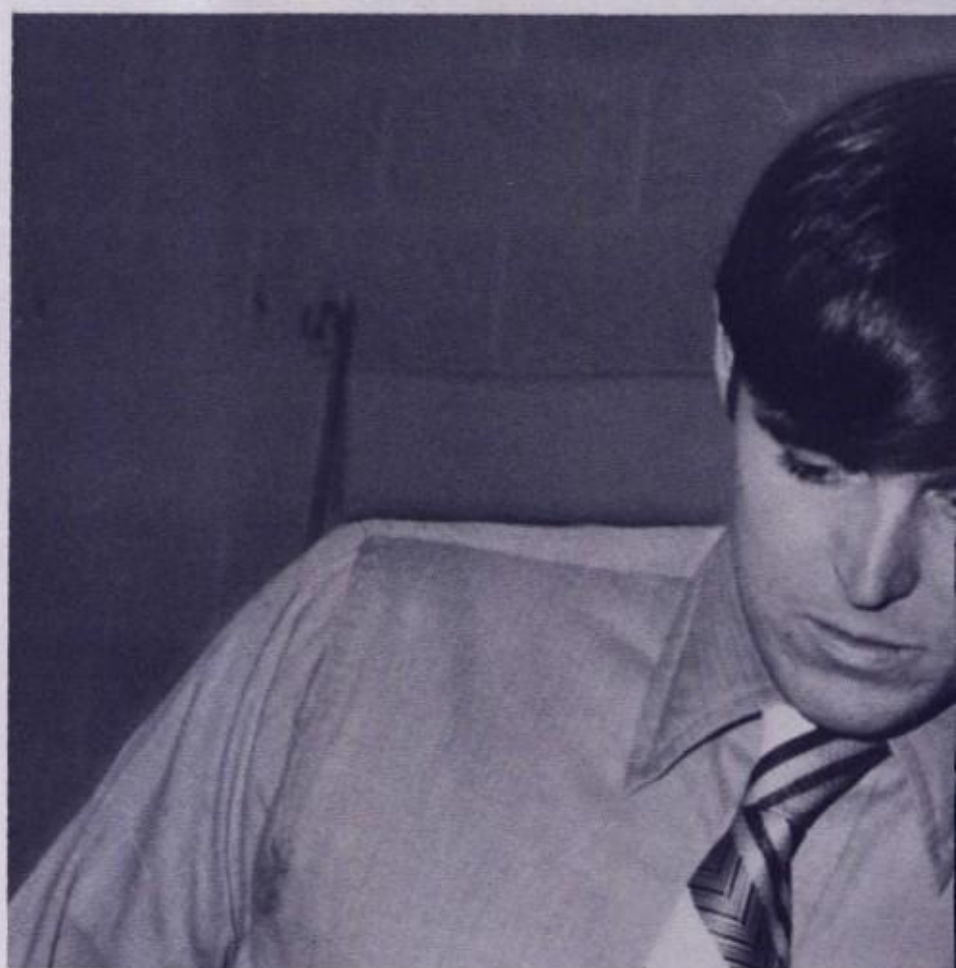

Originality

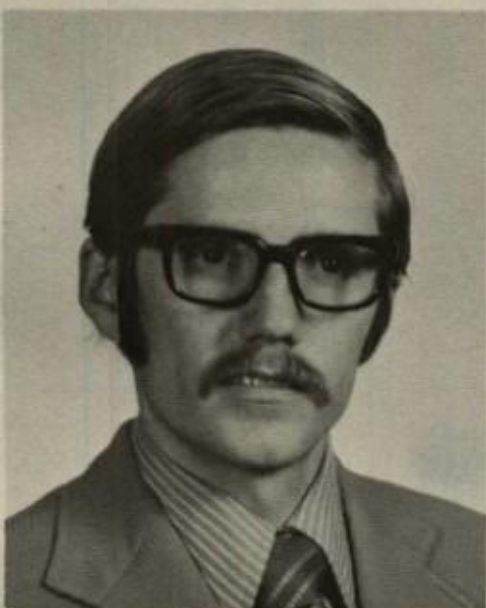

Originality is the mainspring of our Industrial Arts department. From a blueprint of a colonial house, to a grandfather clock frame, original ideas are carried out.

Classes cover many areas. The basics of drafting and architectural drawing are learned as well as welding, soldering, and other procedures important to future mechanics.

Sanding, sawing, and superior quality are all part of the woods classes, and Mr. Blackford also teaches students about the many gadgets and machines we depend on today in electronics.

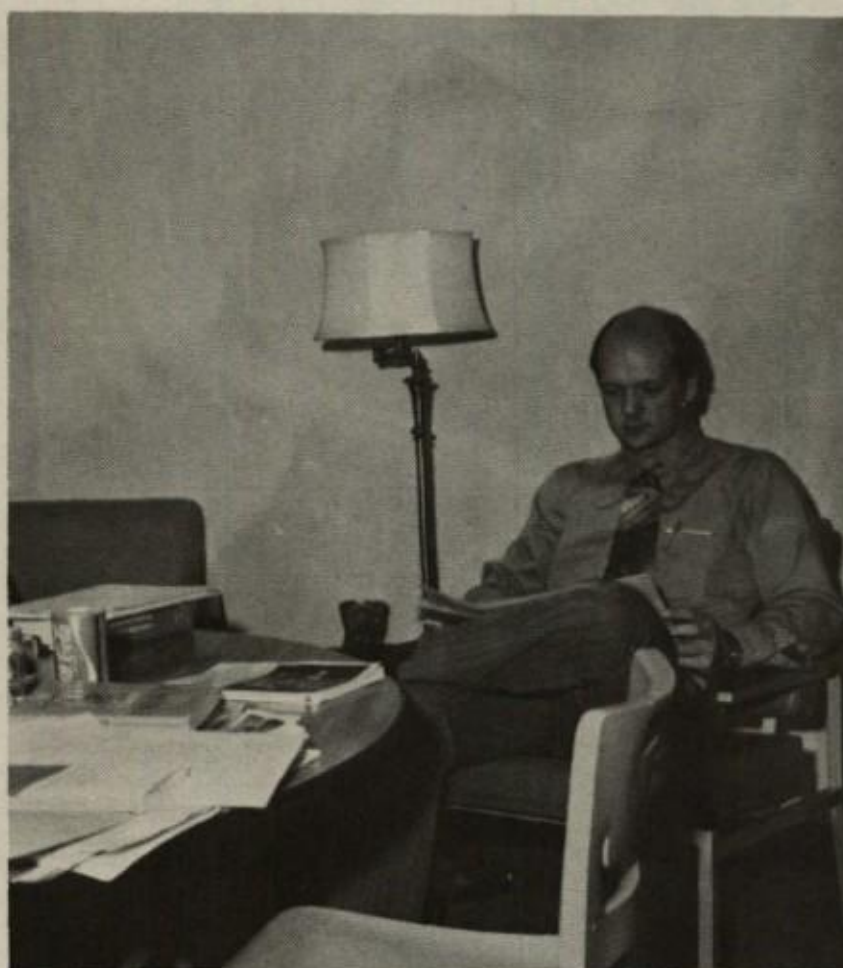

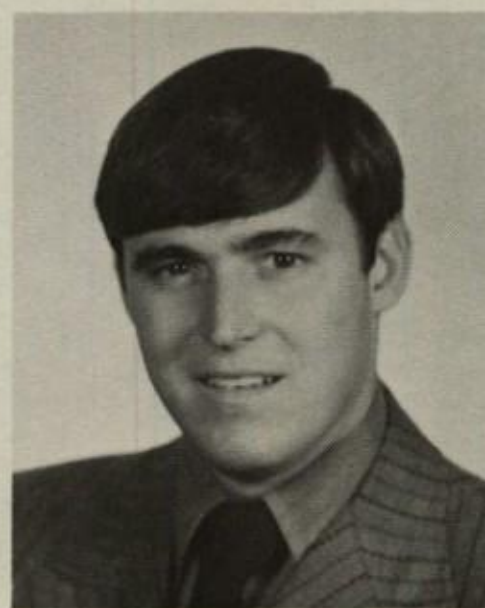

Mr. Douglas Ash-
Drafting I, II, III, IV,
Biology.

Mr. Paul Blackford-
Woods I, II, III, Elec-
tronics.

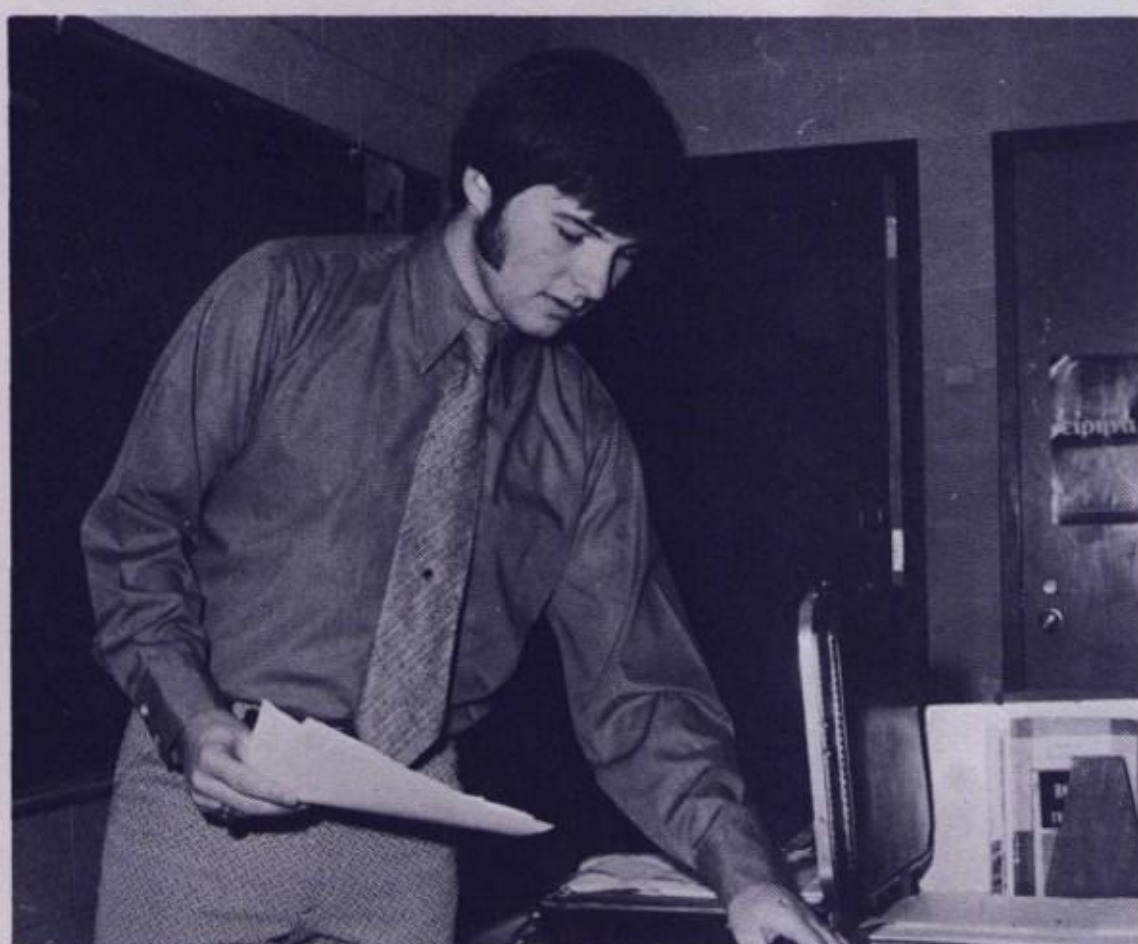

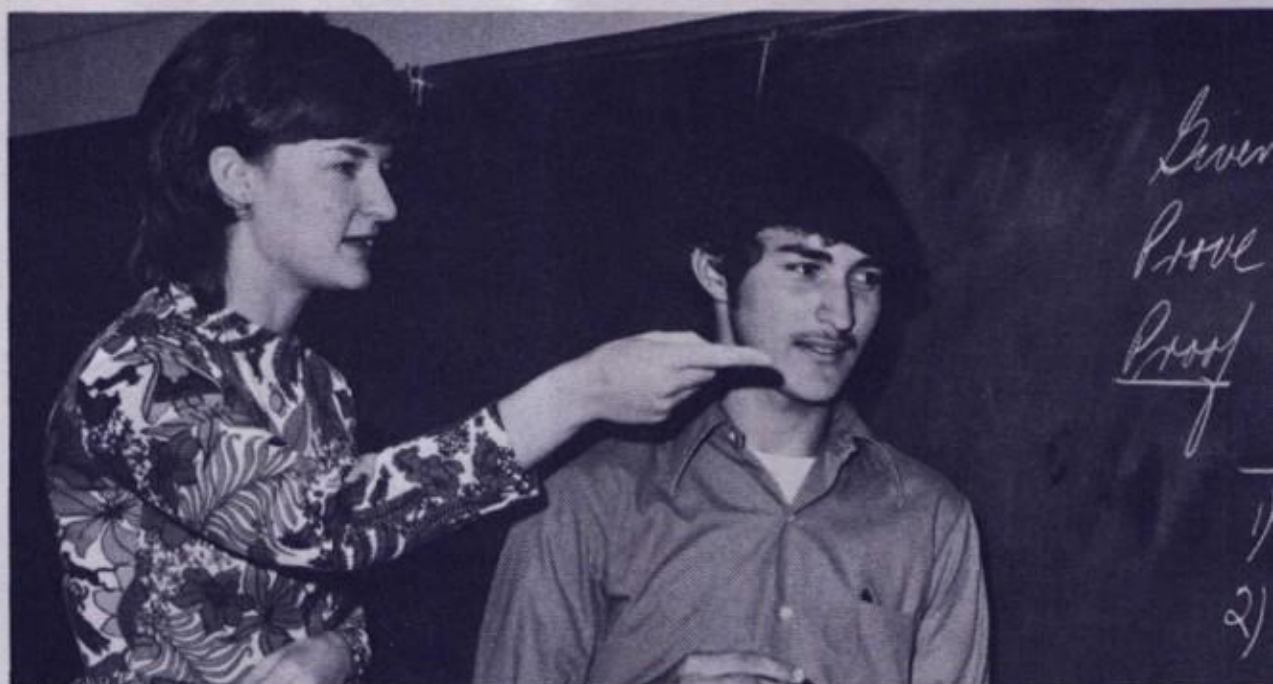

Mr. John Sturock-
Metal I, II, Woods I.

TOP LEFT: Mr. Sturock helps Doug Stone with a project for Woods I. LEFT CENTER: Bending sheet metal is difficult for beginners. RIGHT CENTER: Mr. Blackford relaxes between classes with a newspaper. BOTTOM LEFT: Mr. Ash approves some of Sharon Carstens drawings for drafting. BOTTOM LEFT: George Reynolds gets assistance from Mr. Blackford at the table saw.

TOP LEFT: Mrs. Schabacker clarifies an algebra problem for Chuck DeLaTarre. TOP RIGHT: Vivid gestures make Mr. Vaughn an interesting teacher. RIGHT CENTER: Mrs. Mantyck clears the board for a new trig problem. BOTTOM RIGHT: Correcting tests and daily assignments keeps Mrs. Mantyck busy. LEFT CENTER: Chuck seems to be catching on. FAR LEFT: Mr. Vaughn gets ready to return some assignments.

Mrs. Julie Mantyck-
Algebra II, Trigo-
nometry.

Mrs. Gloria
Schabacker-
Calculus, Geometry.

Mr. Robert Vaughn
Earth Science
Algebra I, American
History.

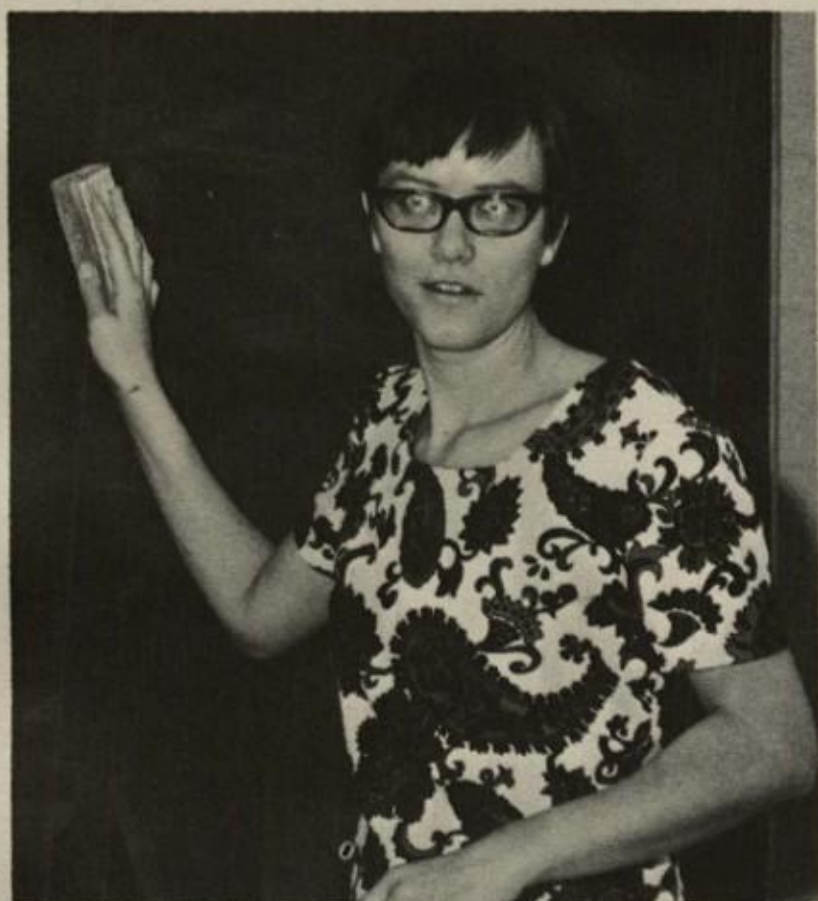

Complexity

Complexity is nothing in the hands of our Math wizards.

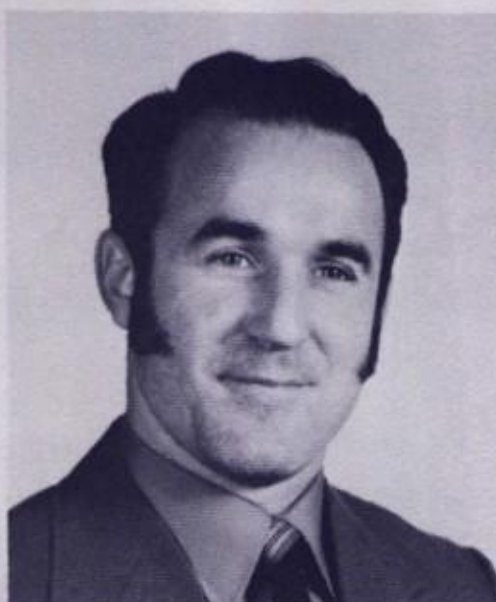

Joining Mrs. Mantyck this year were Mrs. Schabacker and Mr. Vaughn. Together they offer Algebra I and II, geometry, trig, and calculus.

The Math department looks forward to the future because many more students are taking advanced courses. Math is certainly taking shape at Pinckney High.

Mr. Bud Davis —
Biology, Earth
Science.

Mr. Robert Dunn —
Chemistry, Physics,
Physiology, French.

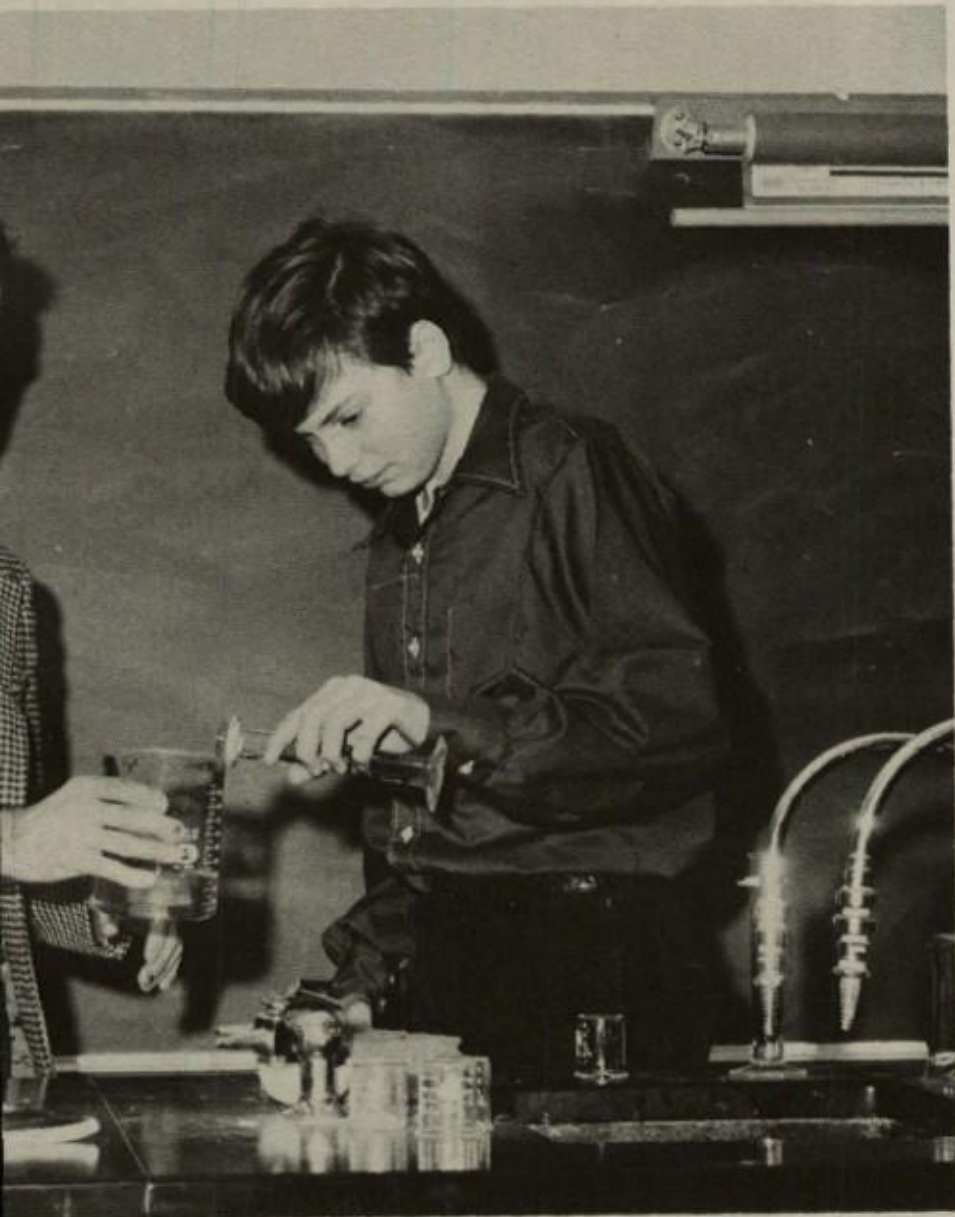

Infinity

Infinity is exploring "boundless unknowns." Discovering what those "boundless unknowns" are is one of the things our Science Department attempts to do.

Mrs. Andresen, Mr. Dunn, Mr. Davis, and Mr. Ash keep up to date with the ever changing world of science and provide students with insight into that fascinating world.

TOP LEFT: Mr. Davis and Mr. Dunn compile the science department curriculum. BOTTOM LEFT: Mr. Dunn hands back daily assignments. TOP CENTER: Mrs. Henry helps a student complete his daily assignment. RIGHT CENTER: Mr. & Mrs. Henry enjoy a "Crystal Bridge" dance sponsored by Journalism Two.

Solidarity

Solidarity is a distinguishing trait of our Special Education department. Unity and dedication are needed elements in this area and Mrs. Henry, a young and talented new staff member, provides both of these. The Special Ed. department is a healthy and strong feature of our school.

Mrs. Margene Henry
— Special Educa-
tion.

Mrs. Sandra
Andresen-Girls P.E.,
Physiology, Conser-
vation.

Mr. D. J. Lincoln-
Boys P.E.

Mobility

Mobility is ever present in the gym. Our Physical Education department provides exercise and fun for anyone wanting it.

The Phys. Ed. classes play an important part in a student's curriculum, not only keeping the body in shape, but keeping the mind active as well.

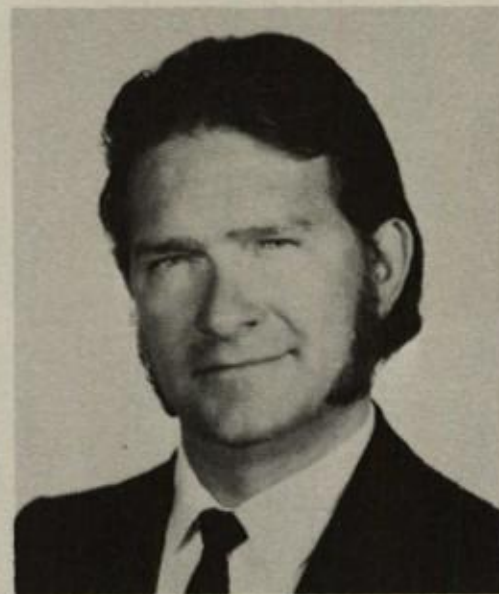

Activity

Activity is an area where the P.H.S. Marching Band is growing. It is branching off into a "Pep Band", promoting school spirit.

The Marching Band, under the direction of Mr. Napier, proudly introduced five majorettes into half time festivities. The Band, like many sections of the school, is developing into an excellent program.

TOP LEFT: Mrs. Andreson knows it's there somewhere. TOP RIGHT: A group of band members march to the music. BOTTOM RIGHT: Mr. Napier directing the band to "Cherish." LEFT: Mr. Lincoln going over his class plans.

Mr. Dennis Napier-
Band.

LEFT CENTER: Our lovely secretaries take time to pose for the photographer. TOP CENTER: Rain, sleet, or snow, the bus-drivers always seem to show up to drive us to school. RIGHT BOTTOM: Our janitors are always willing to help us out. BOTTOM CENTER: Molly is very versatile or can everyone talk on the phone and arm wrestle at the same time?

Flexibility

Flexibility in a school office is essential. You never know what could happen on a given day and the office always adapts to the sometimes bizarre occurrences.

Molly is our secretary and valuable helper. Molly handles everything from missed buses to broken arms. A warm and friendly helper is she.

Molly has her "employees", known as office aids. They type and run the many errands needed in the course of a school day.

Mr. Welton Chamberlain-Jr., Sr. Counselor.

Mrs. Wilhelmina Swarthout-Sophomore Counselor.

Opportunities

Opportunities are opened up for students by Mrs. Swarthout and Mr. Chamberlain, our guidance counselors.

Both counselors are responsible for much assistance and many successes in life. Their immense value can never be measured.

LEFT CENTER: Mr. Chamberlain administers the annual PSAT test to juniors. CENTER: Mr. Chamberlain and Mrs. Swarthout work together in helping find job opportunities for students. RIGHT CENTER: Juniors Chuck Hunget and Dave Hollister look on as Mrs. Swarthout explains grading policies. BOTTOM RIGHT: Kathy Jennette discusses her future plans with Mr. Chamberlain. BOTTOM LEFT: Mrs. Swarthout is a sophomore counselor but often helps upperclassmen when needed.

Spirit Starts With Float

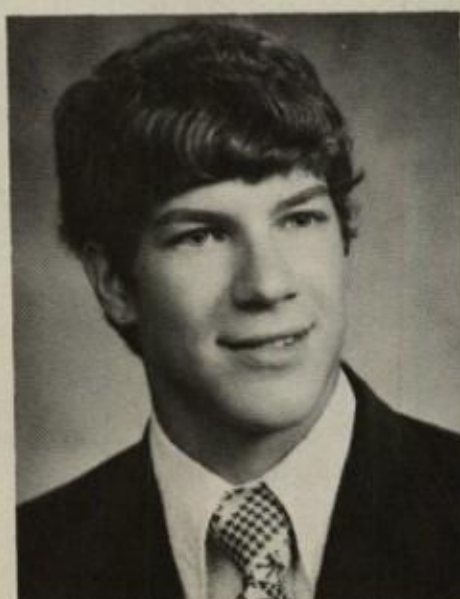

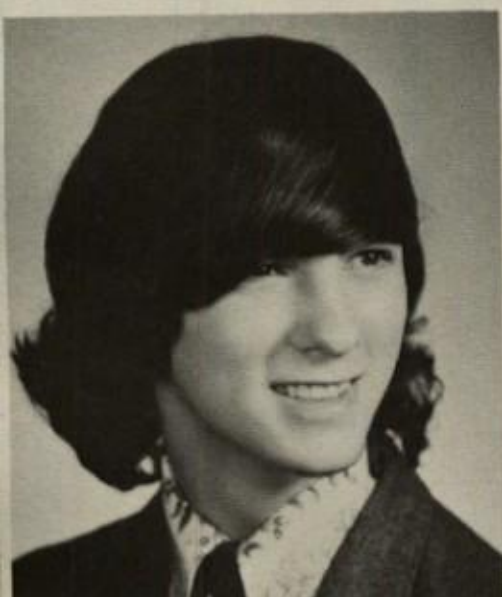

Ole Man River says "Paddle the Bees" was the seniors' float slogan. The '73 riverboat tied for second place. They met almost every night for two weeks before Homecoming to construct their float at Conklin's barn.

In the party atmosphere, seniors folded and tied tissue flowers, built the chicken wire and wood shell, drank pop, ate Doritos and listened to the radio.

Practice Makes Perfect

It's been said that behind every great man there is a woman. Well, behind every great Pirate team there are women who yell and scream and cry and sigh.

The Cheerleaders also do many other things besides cheer. The posters you see plastered around the school are creative projects of the cheerleaders. With the aid of Miss Wilcox and Mrs. Andreson, the sponsors, they plan pep assemblies and last summer they attended a cheerleading camp.

The Cheerleaders play a supporting role in the exciting drama of high school sports. They play an important part in the Athletic Department by cheering our Pirate teams to victory.

Teamwork Pays

"Success is a journey, not a destination." These words inspired the 1972 Pirates to their 7-2 season. It was the Pirates best year in over a decade.

A monstrous feat was achieved by George Reynolds. George was one of the few backs in Michigan to gain over 1,000 yards, making him the team's Most Valuable Player. The Most Improved Player was George Gola.

Coaches Wilson and Sturock worked hard all year developing not only a winning team, but a winning attitude.

Win, Win, Win!

Winning was the name of the game for the J.V. Pirates. The final 6 games last year, combined with the first 4 this year, compile a 10 game winning streak.

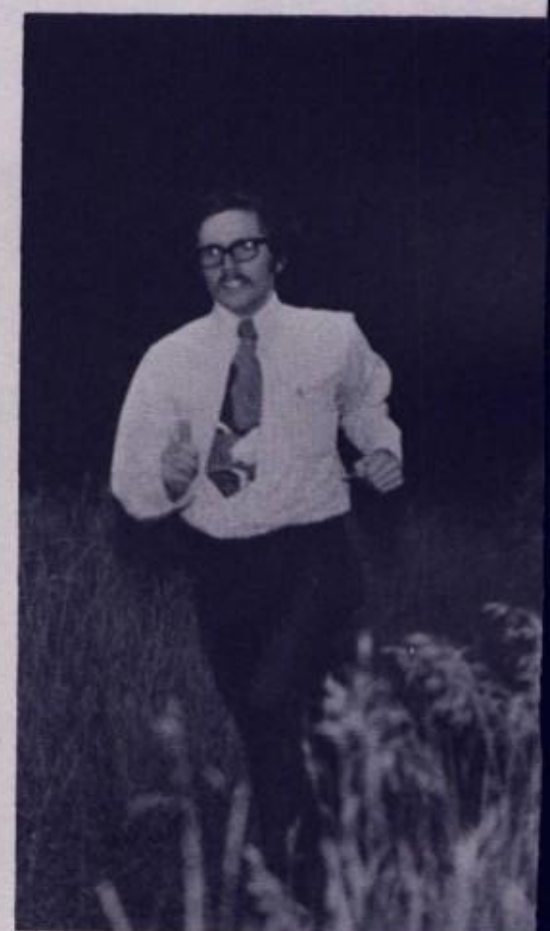

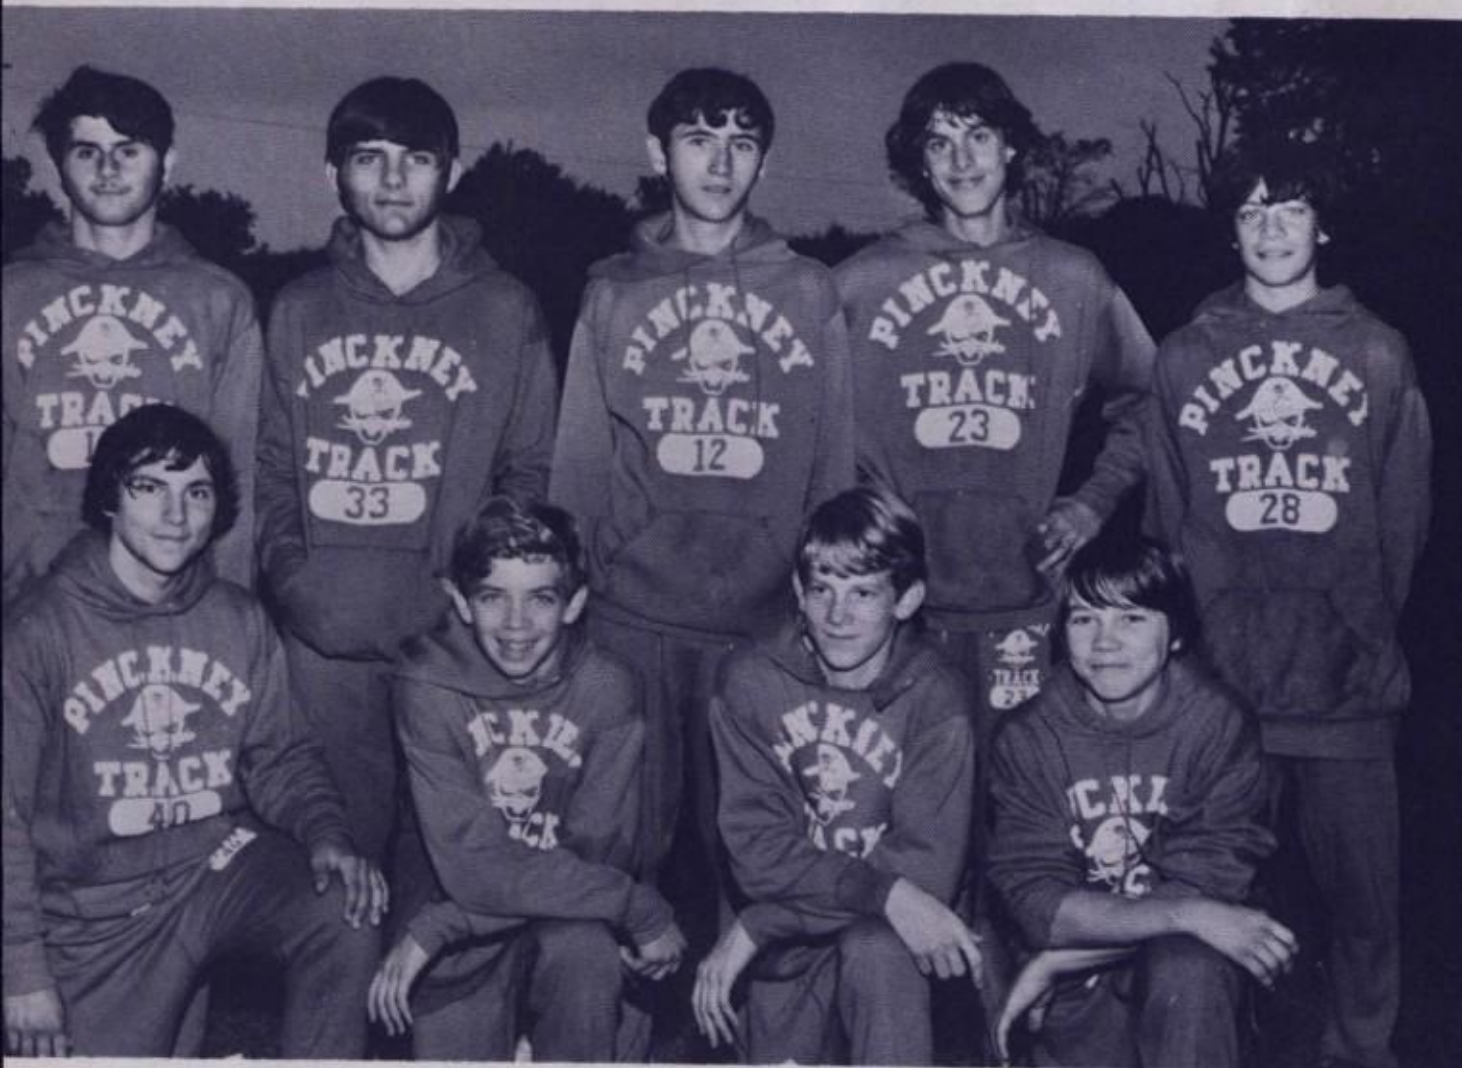

Coach Nurnberger attributed their fine success to a spirit of teamwork and speed.

There were two Most Valuable Players this year. Rick Stone, who gained 760 yards rushing was the Most Valuable offensively while Tom Wynn tackled over 100 victims to become Most Valuable defensively. John Pine was the Most Improved.

A new and valuable addition to the team was Coach Szotek. He groomed the team to a fine defensive season.

Keep on Truckin

Truckin' is exactly what the speedy Pirates did this year.

Paced by Jerry Huhman, the Pirates ran their way to a 4th place finish in their Regional Meet.

Three points kept the Pirates from being League Champs, but they finished a strong second.

Coach Doug Ash is looking forward to next year because most of the team will be back. Jerry Huhman was Most Valuable this year and Glen Kinsey was Most Improved. The future looks bright for the Pirate Thinclads.

Strokers Grab League Title

Exceptional. That word describes the golf team and their season. An unblemished league record sent the strokers reeling to the league championship.

They won their own Pinckney Invitational, setting a new tournament record. They also finished 7th in their Regional. The golfers also set a new league record, breaking the old one by six strokes!

Another first this year was the presence of two females on the team. These two gals were termed by Coach Hand as "psychological weapons."

Tom Talkington, a four year veteran, captured the Most Valuable award while Dan Loiselle, who placed first in the league, was the Most Improved.

Women's Lib hit basketball this year when the girl's teams entered the Athletic Department. Coach Andresen worked hard at a girl's basketball program and the fruits of her labor were well rewarded. Both Varsity and J.V. compiled identical 11-1 records.

Most Valuable for the J.V. was freshman, Lori Schenden. Gloria VanBlaircum, also a freshman, was Most Improved.

Surprise Season

The 1972-73 season was a year of surprises for the Varsity Pirates. They placed 4th in the league but their record is quite deceiving. Our Pirates surprised the Saline Hornets and defeated them quite handily. This was a major upset by the Pirates because Saline is always a good, strong team. As if that wasn't enough our Pirates scalped the Leslie Blackhawks and handed them their first defeat of the season. They had previously been rated 8th in Class C. So this season was a fairly good one. It had its ups and downs but it was always spicy, exciting, and sometimes quite surprising.

Pirates Excel

Wrestling is an intriguing sport. It couples intelligence with strength and our wrestling team certainly wasn't lacking in either. The Pirate grapplers finished third in the league meet, but second in the league, thanks to an excellent dual meet record. In the non-league tournaments our wrestlers fared quite well. They finished first in the Dexter Invitational and second in the South Lyon Invitational, edged out of first by half a point. The highlight of the season, though, was their District Championship in which 7 of 11 wrestlers advanced to the Regional Meet. We anticipate more successful seasons from them in the future.

FAR LEFT: Dave eyes the batter . . . and pitches. TOP CENTER: Informal warm-ups help to keep the team sharp. MIDDLE CENTER: The opponent pops up for the final out. BOTTOM CENTER: Mark Kirkwood beats the tag.

Future Looks Bright

Baseball is an ever growing and improving sport in Pinckney. With new uniforms and renewed spirits our baseball teams did exceptionally well last year. In the '72 season both Varsity and Junior Varsity finished second in the league. Varsity was inched out of first at the end of the season and the J.V.'s finished the season with a nine game winning streak. The prospects for 1973 are certainly bright and with many underclassmen filling the ranks of the graduated seniors, a successful season is anticipated.

Spring Hustlers

If size is equaled with success our track team should be excellent this year. With many returning sophomores and juniors and a flock of talented freshmen, the track team has plenty to work with. In the '72 season they placed a fine third in the league. They also placed first in the Livingston County Meet. Coach Wilson is hoping for a repeat of the 1971 championship season.

Varsity Club

This year's Varsity Club, advised by Coach Wilson, continued their fine tradition of giving their all to the school by sponsoring many non-profit activities throughout the year. These activities included tumble twisters, pre-packaged popcorn sales, and running both the milk stand during lunch and the J.V. and Freshmen football concession stands. The money brought in from these functions went toward paying for a pep bus, facility maintenance equipment, and equipment for the weight room, including a Universal Weight Machine.

Band

1972 marked improvement for the Band. From the steps of their half time appearances to their winter and spring concerts, they displayed skill derived from the direction of Mr. Napier.

The highlight of the year was a trip to Band Day in Ann Arbor. Here the band members participated in a half time show in conjunction with bands all over Michigan.

The Pep Band, directed by Ron Boprie, spirited the student body by playing at pep rallies and during Varsity basketball games.

BOTTOM CENTER: Band members march to the music. BOTTOM LEFT: Sandy, Lori, and Terri livened up the band performances.

TOP CENTER: Under the leadership of Ron Boprie, the pep band has aided school spirit. TOP RIGHT: Kathy, Joyce, and Jo-Anne work on a can goods drive sponsored by their group.

Big Sisters

Needed aid throughout the community is provided by the Big Sisters. The three major purposes of this club are: (1), to help friendless P.H.S. students; (2), to give aid to needy families in the community; and (3), to improve teacher-pupil relationships.

Sponsored by Mrs. Dennis, the Big Sisters organized a turkey drawing and canned goods drive. They also planned to obtain funds to adopt an elderly couple from a convalescent home.

Student Gov't.

Student Government worked together this year under President Rex Meabon and Sponsor Mr. Carpenter.

The first major event of the year was planning and carrying out all homecoming activities. The highlight of the occasion was the dance. For the first time the band was hired on a salary rather than a percentage basis. The group was "1776" from Ann Arbor.

With Homecoming out of the way, they organized the Student Activity Fund that went into effect after much controversy. The Fund was organized to be at the disposal of worthy clubs in the school. Different members of Student Government worked lunch room concession. The profits were then placed in the fund.

BOTTOM RIGHT: NHS members often help students with difficult assignments. BOTTOM LEFT: Mr. Carpenter double checks the "Roberts Rules of Order."

N.H.S.

National Honor Society, sponsored by Mr. Davis, did many things this year to help the students and the school. A tutoring program was set up for students needing help, and the annual \$100 scholarship was awarded to a deserving Senior. The NHS members were disappointed when their Senior-Faculty game was postponed because of inclement weather.

To be a member of the NHS, seniors must maintain a B average and underclassmen a B. The NHS takes great pride in the fact that they rendered a valuable service to their school and they hope to do even more in the future.

Drama

Talent of individuals was cultivated in the drama class of P.H.S. Under the direction of Mrs. Evans, students learned acting, make up, costuming, and general production techniques.

In previous years the drama classes put on several plays in addition to the all school play. This year, though, the drama class was cut to a semester course but the all school play, "Father of the Bride," was still presented.

TOP ROW: Lorri McNulty, Ron Boprie, Lee Ann Sobie, Paul Marzolf, Mr. Dunn-Adviser. BOTTOM ROW: Paul Bemis, Jim Root, Cindy Chapman.

Audio-Visual

Capability to maintain and run small audio visual equipment is necessary when enrolled in an A.V. class.

The purpose of this $\frac{1}{4}$ credit class is to insure everyday correct usage of school equipment, such as movie projectors, tape recorders, and record players.

Mr. Dunn, the adviser, was always nearby when difficulties arose.

ROW: Wendy Radabaugh, Debbie Speake, Sherry Vanderhoof.

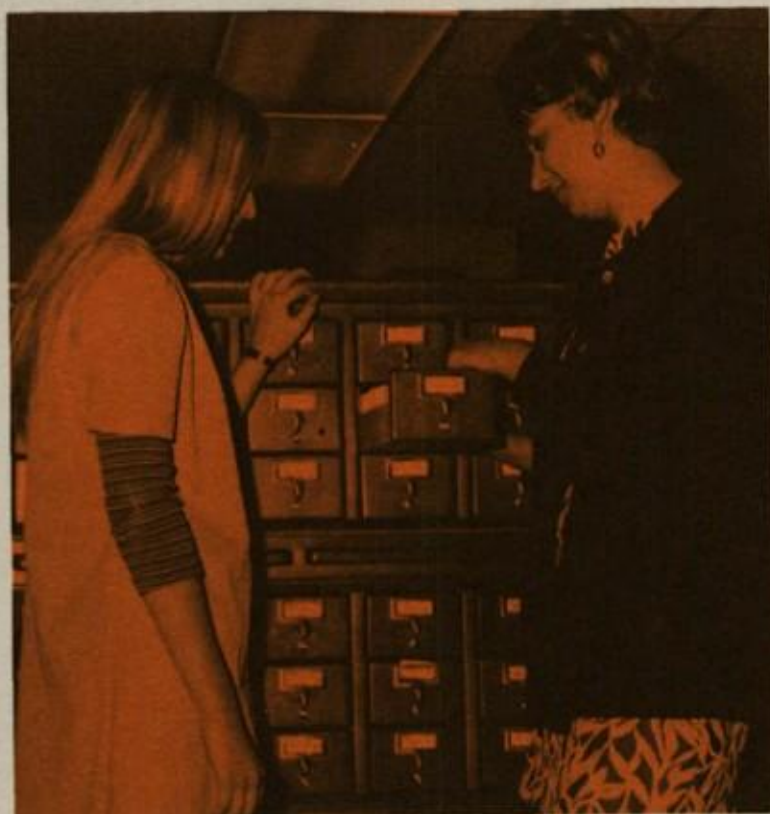

Office Aids

The Office Aids of Pinckney High have really contributed a lot of work this year. Some of their responsibilities are answering phones, putting out attendance, taking care of mail, and other office jobs.

Mr. Kennedy and Mrs. Janowski instruct the aids daily activities. Some of the requirements are Typing I and II or Office Block. The aids receive one full credit per year.

BOTTOM LEFT: Terrie performs one of her duties as office aid. TOP CENTER: Molly teaches Debbie how to handle the books. TOP RIGHT: Miss Wilcox teaches Cindy about the infamous "Dewey Decimal System." BOTTOM CENTER: Do Karen and Dorothy really enjoy shelving the books?

Library Aids

The library aids at Pinckney High deserve a hand. Their job consists of checking books and magazines in and out, assisting students, collecting fines, and other jobs. They work hard every-day in our efficient library.

Miss Wilcox trains the students who have the ability to make efficient library aids. Library aids receive a half of a credit for the year.

Yearbook

This year's Yearbook staff, advised by Mrs. Evans, has spent many hours of hard work to provide the student body with a permanent memory of the school year.

Many additions have made this yearbook very special. More color, new layouts, staff organization, and our own original cover has prompted success.

To give members a broader understanding of the different areas involved in yearbook work, Mrs. Evans sponsored a weeks stay at Northwood Institute for welcomed members.

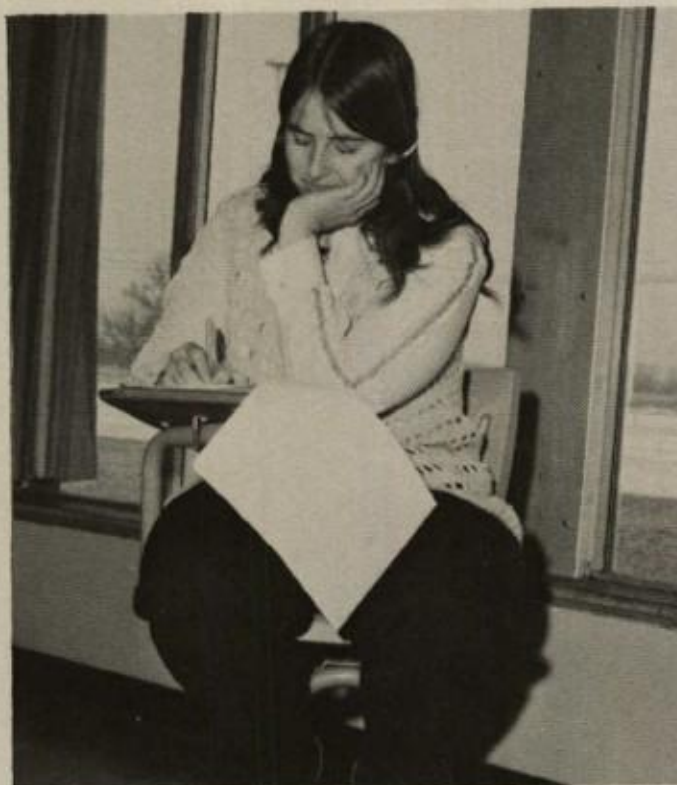

With the experience of returning underclassmen, next year's book promises even better things.

BOTTOM CENTER: The yearbook staff tries hard to make the yearbook a success. BOTTOM LEFT: Editor Ron Boprie checks for the next deadline.

TOP CENTER: Nancy and Mary view a students impressive editorial reply. TOP RIGHT: Sue is working hard to finish an article.

Journalism

Journalism, taught and sponsored by Mrs. Osburn, offered many new innovations this year.

Second hour Journalism consisted of advanced students. This class was in charge of putting out the newly named school paper, "The Pirate's Word."

Third hour was composed mainly of sophomores who learned the general information necessary for putting out a good newspaper. On several occasions they put out their own paper, "The Oracle." A highlight of the year was the trip to the "Detroit Free Press."
